101-714 - Permanent window graphics

File generated by https://zr.planning.nyc.gov on 11/8/2026

101-714 - Permanent window graphics

LAST AMENDED
6/28/2004

Permanent window graphics may not occupy more than 20 percent of the total area of the window in which they are displayed. If such a permanent window graphic has letters more than three inches high, it shall count as a #sign#.
