115-43 - Authorization for Curb Cut

LAST AMENDED 12/5/2024

Between 160th Street and a point 205 feet east of 160th Street along Archer Avenue, The City Planning Commission may authorize, subject to the applicable zoning district regulations, curb cuts that are prohibited by Section 115-42 (Location of Access to the Street), provided the Commission finds that a curb cut at such location:

- (a) is not hazardous to traffic safety;
- (b) will not create or contribute to serious traffic congestion, or unduly inhibit vehicular movement;
- (c) will not adversely affect pedestrian movement;
- (d) will not interfere with the efficient functioning of bus lanes, specially designated #streets# and public transit facilities; and
- (e) will not be inconsistent with the character of the existing streetscape.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
