143-31 - Special Permit for Certain Retail Uses

LAST AMENDED

6/6/2024

Within the #Special SoHo-NoHo Mixed Use District#, the City Planning Commission may, by special permit, allow #uses# that exceed the size limitations of paragraph (c) of Section [143-11](#), provided that the conditions of paragraph (a) and the findings of paragraph (b) are met.

(a) Conditions

For #buildings# that do not contain #accessory# off-street loading berths, the application shall include a delivery plan for the retail #use#. Such loading plans shall be based upon a traffic and curbside management study prepared by a qualified professional, outlining and identifying the operational needs of the tenant as well as adjacent #uses#.

(b) Findings

The Commission shall find that:

- (1) in consultation with the Department of Transportation, where a loading plan is provided, such plan will incorporate sustainable best practices in loading, consolidating, timing of deliveries and other delivery methods and procedures;
- (2) such retail #use# will not create or contribute to serious safety concerns, unduly inhibit pedestrian, cyclist or vehicular movement adjacent to the site; and
- (3) such retail #use# will not impair the character or the future #use# or #development# of the surrounding mixed-use neighborhood.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
