35-643 - Special provisions in other geographies

LAST AMENDED 12/5/2024

(a) Special provisions for #zoning lots# with #transportation-infrastructure-adjacent frontage#

For #zoning lots# or portions thereof within 100 feet of a #street line# along a #transportation-infrastructure-adjacent frontage#, the following shall apply:

- (1) the #street wall# location provisions of paragraph (b) of Section 35-631 shall apply except that such #street wall# need not extend to the minimum base height set forth in Section 35-632. In lieu thereof, the #street wall# shall extend to a minimum base height of one #story# or 15 feet, whichever is lower; and
- (2) for #buildings# containing #multiple dwelling residences# that are not otherwise eligible for additional height pursuant to paragraph (c) of Section 35-632, the applicable maximum #building# heights may be increased by 10 feet in #Commercial Districts# mapped within, or with a #residential equivalent# of, R1 through R6 Districts, and by 20 feet in #Commercial Districts# mapped within, or with a #residential equivalent#, of R7 through R12 Districts.
