146-231 - Street wall modifications

LAST AMENDED
5/28/2025

For #zoning lots#, or portions thereof, fronting on Atlantic Avenue or Bedford Avenue, the applicable #street wall# location regulations shall be modified as follows:

(a) the #street wall# shall be located at least 20 feet beyond the curb of the sidewalk, except that such depth need not exceed five feet from the #street line#;

(b) for #developments# with #building# widths exceeding 100 feet, a minimum of 20 percent of the surface area of such #street walls# above the level of the second #story#, or a height of 30 feet, whichever is lower, shall either recess or project a minimum of three feet from the remaining surface of the #street wall#; and

(c) for the purposes of applying the provisions of Section 35-633 (Additional height and setback provisions) on shallow #through lots# with a frontage along Atlantic Avenue, the #street wall# location requirements of this Section shall be required along Atlantic Avenue.
