In all districts, as indicated, no primary business entrance, #show window# or #sign# shall be located on that portion of the #street# frontage of a #corner lot# within 75 feet of frontage on the same side of the #street# in a #Residence District#.

However, primary business entrances, #show windows#, or #signs# may be located on frontage less than 75 feet, but not less than 20 feet, from a #Residence District# boundary:

- (a) if the total length of the #block# face containing such frontage is less than 220 feet; or
- (b) if such frontage adjoins frontage on a #corner lot# in a #Residence District#; or
- (c) if such frontage is separated from frontage in the #Residence District# by one or more #zoning lots# with single frontage.
