42-47 - Residential Uses in M1-1D Through M1-5D Districts

LAST AMENDED
9/21/2011

In M1-1D, M1-2D, M1-3D, M1-4D and M1-5D Districts, new #residences# or #enlargements# of existing #residences# may be permitted by authorization of the City Planning Commission provided the #zoning lot# existing on June 20, 1988, meets the criteria of paragraphs (a), (b) or (c) of this Section.

- (a) On #zoning lots# containing #residential# or #community facility uses#, new #residences# or #enlargements# of existing #residences# may be authorized, provided:
- (1) the #zoning lot# contains a #building# that has one or more #stories# of lawful #residential# or #community facility uses# and no more than one #story# of #commercial# or #manufacturing uses# therein;
 - (2) the #zoning lot# contains no other #commercial# or #manufacturing uses#; and
 - (3) 25 percent or more of the aggregate length of the #block# fronts on both sides of the #street# facing each other is occupied by #zoning lots# containing #residential# or #community facility uses#.
- (b) On vacant #zoning lots#, new #residences# may be authorized, provided:
- (1) the #zoning lot# has been vacant continuously since June 20, 1988, or has been vacant continuously for five years prior to the date of application for such authorization;
 - (2) a #zoning lot abutting# on one #side lot line# and fronting on the same #street# is occupied by a #community facility building# or a #building# containing #residences#; and
 - (3) either of the following conditions exist:
 - (i) such vacant #zoning lot# and any contiguous vacant #zoning lots# and #land with minor improvements# fronting on the same #street# aggregate no more than 10,000 square feet of #lot area#, and 50 percent or more of the aggregate length of the #block# fronts on both sides of the #street# facing each other is occupied by #zoning lots# containing #residential# or #community facility uses#; or
 - (ii) such vacant #zoning lot# and any contiguous vacant #zoning lots# and #land with minor improvements# fronting on the same #street# aggregate no more than 5,000 square feet of #lot area#, and 25 percent or more of the aggregate length of the #block# fronts on both sides of the #street# facing each other is occupied by #zoning lots# containing #residential# or

#community facility uses#.

- (c) On #land with minor improvements#, new #residences# may be authorized provided such #land with minor improvements# otherwise meets all the criteria for vacant #zoning lots# listed in paragraph (b) of this Section, except that new #residential use# shall not be authorized on #land with minor improvements# that:
- (1) is used for parking, storage or processing in connection with a conforming, enclosed #commercial# or #manufacturing use# within the district; or
 - (2) has been so used within five years prior to the date of application, unless such land has not been so used since June 20, 1988.
- (d) In determining eligibility for #residential use#, pursuant to paragraphs (a), (b) or (c) of this Section, the following regulations shall be applicable:
- (1) In order to determine whether a #corner lot# meets the criteria of paragraph (a), (b) or (c) above, the aggregate length of the #block# fronts occupied by #zoning lots# that contain #residential# or #community facility uses# may be measured along any #block# front upon which such #corner lot# has frontage.
 - (2) In determining the percent of the aggregate length of the #block# fronts occupied by #zoning lots# that contain #residential# or #community facility uses#, the length along the #block# front of every #zoning lot#, whether occupied or not, shall be measured and aggregated, and this total shall be divided by the aggregate length of the #block# fronts occupied by #zoning lots# containing lawful #residential# or #community facility uses#. Vacant #zoning lots# and #land with minor improvements# shall not be counted as #residential# or community facility frontage.

For the purpose of this Section, the length along the #block# front of any #zoning lot# occupied by a #building# that contains one or more #stories# of #residential# or #community facility use# and no more than one #story# of #commercial# or #manufacturing use# shall be considered as a frontage of #residential# or #community facility uses#, and the length along the #block# front of any #zoning lot# occupied by a #building# that contains one or more #stories# of #residential# or #community facility use# and more than one #story# of #commercial# or #manufacturing uses# shall be considered as a frontage of #commercial# or #manufacturing uses#.
 - (3) New #residential use# shall not be authorized on any #floor area# that is vacant or that is occupied by a #commercial# or #manufacturing use#, except that in a #building designed for residential use# where at least 50 percent of the #floor area# is occupied by #residential use#, the #residential use# may be #extended#.
 - (4) In any #building#, no #residential use# may be located on or below a #story# occupied by a #commercial# or #manufacturing use#.

- (5) For the purposes of this Section, a #through lot# fronting on no more than two #streets# shall be treated as if it consisted of two separate #zoning lots# with #abutting rear lot lines# at a line midway between the two #street lines# upon which such #through lot# fronts. In the case of a #through lot# that fronts on more than two #streets#, the #through lot# portion shall first be considered as if it were so divided, and then any remaining portion shall be considered as if it were a separate #zoning lot#. Notwithstanding, in no event shall contiguous portions of a #through lot# that front on the same #street# be treated as if they were separate #zoning lots#.

Each resulting portion of such #through lot# on each #street# frontage shall be considered separately to determine whether it meets the criteria for new #residences# set forth in paragraphs (a), (b) or (c) of this Section, and only on such portion may new #residences# or #enlargements# of existing #residences# be authorized. Only the #lot area# of such portion shall be calculated in determining the permitted amount of #floor area# to be authorized pursuant to this Section.

- (6) A #zoning lot# or contiguous #zoning lots# existing on June 20, 1988, that have been vacant continuously since June 20, 1988, or have been vacant continuously for five years prior to the date of application for such authorization, that are contiguous to and front on the same #street# as a vacant #zoning lot# or #land with minor improvements# that meets all the requirements of paragraph (b) or (c) of this Section, may be combined with such eligible #zoning lot# in its application to authorize #residential use#. The aggregate #lot area# of all such contiguous vacant #zoning lots# or #land with minor improvements# shall be limited by the requirements of paragraph (b)(3).

(e) In authorizing such #residential uses#, the Commission shall find that:

- (1) the #residential uses# will not be exposed to excessive noise, smoke, dust, noxious odor, toxic materials, safety hazards or other adverse impacts from current or previous #commercial# or #manufacturing uses#;
- (2) there are no open #uses# listed in Use Group 18 within 400 feet of the #zoning lot#;
- (3) the #residential uses# will not adversely affect #commercial# or #manufacturing uses# in the district; and
- (4) the authorization will not alter the essential character of the neighborhood or district in which the #use# is located, nor impair the future #use# or #development# of #commercial# and #manufacturing zoning lots#.

In granting such authorization, the Commission may prescribe additional conditions and safeguards as the Commission deems necessary.

#Residential uses# authorized pursuant to this Section shall be subject to the regulations of Sections 43-61 (Bulk Regulations for Residential Uses in M1-1D Through M1-5D Districts) and 44-28 (Parking Regulations for Residential Uses in M1-1D through M1-5D Districts).

Regulations governing other #residential uses# in M1-D Districts are set forth in Article V, Chapter 2 (Non-conforming Uses).

#Residential uses# in M1-D Districts may #enlarge# pursuant to the regulations of Section 52-46 (Conforming and Non-conforming Residential Uses in M1-1D through M1-5D Districts) or of this Section.
