## 42-485 - Streetscape provisions

---

LAST AMENDED  
9/21/2011

For the purposes of applying the special “ground floor level” streetscape provisions set forth in Section 37-30 to this Section, #narrow streets# with a #street# frontage of 50 feet or more shall be considered “primary street frontages”, as defined in Section 37-311.

On #narrow streets#, for #zoning lots# with #street# frontage of 50 feet or more, ground floor #uses# limited to Use Groups 6A, 6C, 7B, 8A, 8B, 9A, 10A, 12A and 12B shall extend along a minimum of 50 percent of the width of the #street# frontage of the #zoning lot#. Such #uses# shall extend to a depth in accordance with the provisions of Section 37-32 (Ground Floor Depth Requirements for Certain Uses). The remainder of the #street# frontage of the #zoning lot# may be occupied by any permitted #uses#, lobbies or entrances to parking spaces, provided that lobbies shall comply with the provisions for Type 2 lobbies set forth in Section 37-33 (Maximum Width of Certain Uses).

Enclosed parking spaces, or parking spaces covered by a #building#, including such spaces #accessory# to #residences#, shall be permitted to occupy the ground floor, provided that such spaces are wrapped by #floor area# or screened in accordance with the provisions of Section 37-35 (Parking Wrap and Screening Requirements), as applicable.

For any #development# or #enlargement# that includes a ground floor #street wall#, each ground floor #street wall# occupied by #uses# listed in Use Groups 1 through 15, not including #dwelling units#, shall be glazed in accordance with the provisions of Section 37-34 (Minimum Transparency Requirements).
