In all districts, as indicated, #accessory# off-street parking spaces, open or enclosed, shall be provided in conformity with the requirements set forth in the table in this Section for all #developments# after December 15, 1961, for the #commercial# or #community facility# #uses# listed in the table. If an #enlargement# results in a net increase in the #floor area# or other applicable unit of measurement specified in the table, the same requirements set forth in the table shall apply to such net increase in the #floor area# or other specified unit of measurement. In addition, all other applicable requirements of this Chapter shall apply as a condition precedent to the #use# of such #development# or #enlargement#.

A parking space is required for a portion of a unit of measurement one-half or more of the amount set forth in the table.

For the purposes of this Section, a tract of land on which a group of such #uses# is #developed#, under single ownership or control, shall be considered a single #zoning lot#.

For those #uses# for which rated capacity is specified as the unit of measurement, the Commissioner of Buildings shall determine the rated capacity as the number of persons that may be accommodated by such #uses#.

The requirements of this Section shall be waived in the following situations

- (a) when, as a result of the application of such requirements, a smaller number of spaces would be required than is specified by the provisions of Section [36-23](#) (Waiver of Requirements for Spaces Below Minimum Number);
- (b) when the Commissioner of Buildings has certified, in accordance with the provisions of Section [36-24](#) (Waiver of Requirements for All Zoning Lots Where Access Would Be Forbidden), that there is no way to arrange the spaces with access to the #street# to conform to the provisions of Section [36-53](#) (Width of Curb Cuts and Location of Access to the Street);
- (c) for houses of worship, in accordance with the provisions of Section [36-25](#) (Waiver for Locally Oriented Houses of Worship);

- (d) for ambulatory diagnostic or treatment health care facilities, as listed in Section [22-14](#) (Use Group 4), or child care services, as listed under the definition of #school# in Section [12-10](#) (DEFINITIONS), pursuant to Section [36-27](#) (Waiver for Certain Small Zoning Lots) in the Borough of Staten Island and Community District 10 in the Borough of the Bronx.

In the districts indicated, the requirements set forth in Sections [36-21](#) (General Provisions) and [36-22](#) (Special Provisions for a Single Zoning Lot With Uses Subject to Different Parking Requirements) shall not apply to a house of worship, provided the Chairperson of the City Planning Commission certifies that:

- (a) seventy-five percent or more of the congregants of such house of worship reside within a three-quarter mile radius of the house of worship;
- (b) the number of spaces required pursuant to this Section is less than the number of spaces listed in the table in Section [36-23](#) (Waiver of Requirements for Spaces Below Minimum Number); and
- (c) such house of worship shall not include, as an #accessory# #use#, the leasing, licensing or any other grant of permission to utilize a room or other space in such house of worship for the operation of a business engaged in serving food or beverages for functions, occasions or events.

For the purposes of determining the number of spaces required pursuant to this Section, the product of the actual percentage of congregants living within a three-quarter mile radius of the house of worship, computed for the purposes of paragraph (a) of this Section, multiplied by the persons-rated capacity of the largest room of assembly, shall be subtracted from the persons-rated capacity of the largest room of assembly.

The provisions of paragraph (c) of this Section are not intended to restrict the lease, license or other permission to use a room or other space in a house of worship, when given by the house of worship to a person in order to hold a function, occasion or event, where such person hires or retains a business engaged in serving food or beverages for purposes of such function, occasion or event, and provided that such business is not located on the same #zoning lot# as the house of worship, makes its services available to non-congregants and does not operate its business substantially for the benefit or convenience of congregants or visitors to the house of worship.

A certification pursuant to this Section shall be granted on condition that the certificate of occupancy for such house of worship be marked or amended to provide that #accessory# #uses# shall not include the utilization of a room or other space in such house of worship for the operation of a business engaged in serving food or beverages for functions, occasions or events. The Chairperson may impose additional conditions and safeguards to ensure compliance with the provisions of this Section, in the form of a signed declaration of restrictions. The filing of any such declaration in the Borough Office of the Register of the City of New York shall be precondition for the issuance of a building permit.

Within 45 days of receipt of a complete application, including documentation of the residence of congregants in a form acceptable to the Department of City Planning, the Chairperson shall either certify that the proposed #development# or #enlargement# complies with the requirements of this Section or disapprove such application, citing the nature of any failure to comply.
