23-95 - Compensated Zoning Lots

LAST AMENDED 3/22/2016

The #residential floor area ratio# of a #compensated zoning lot# may be increased, and the #residential floor area ratio# of an #MIH zoning lot# shall be determined, in accordance with the applicable provisions of Section 23-154 (Inclusionary Housing).

23-951 - Height and setback for compensated developments in Inclusionary Housing designated areas

LAST AMENDED 3/22/2016

In #Inclusionary Housing designated areas#, the #compensated development# shall comply with the height and setback regulations of Sections 23-66 or 35-65 (Height and Setback Requirements for Quality Housing Buildings) as applicable, except that:

(a) in #Special Mixed Use Districts#, the #compensated development# shall comply with the provisions of paragraphs (a) or (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations), as applicable. However, where the #Residence District# designation is an R6 District without a letter suffix, the #compensated development# shall comply with the height and setback regulations of Section 23-66, regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing Program;

(b) in R10 Districts without a letter suffix, the #compensated development# shall comply with the underlying height and setback regulations for such district; and

(c) on #waterfront blocks# and in R7-3 Districts, the #compensated development# shall comply with the special regulations applying in the #waterfront area# set forth in Section 62-30 (SPECIAL BULK REGULATIONS), inclusive.

23-952 - Height and setback in Mandatory Inclusionary Housing areas

LAST AMENDED 2/14/2018

In #Mandatory Inclusionary Housing areas#, the provisions of Section 23-951 shall apply to #MIH developments#, except as modified in this Section.

(a) In R9 Districts without a letter or number suffix, the regulations of Section 23-651 (Tower-on-a-base) may apply, provided such #MIH development# is on a #zoning lot# that meets the requirements set forth in paragraph (a) of Section 23-65 (Tower Regulations).

(b) In R6 through R9 Districts without a letter suffix within #Mandatory Inclusionary Housing areas#, the height and setback regulations of Section 23-64 (Basic Height and Setback Regulations) may apply, except that towers shall not be permitted in an R9-1 District. In addition, for R9 Districts without a letter or number suffix that do not meet the requirements of paragraphs (a) and (c) of Section 23-65 (Tower Regulations), the tower provisions of Section 23-652 (Standard tower) may apply, subject to the #lot coverage# provisions of Section 23-65. However, when the height and setback and tower regulations specified in this paragraph are utilized, the maximum #floor area ratio# on an #MIH zoning lot# shall be determined in accordance with the provisions of Section 23-151 (Basic regulations for R6 through R9 Districts).
(a) #Compensated development# or #MIH development# building permits

(1) #HPD# may issue a #permit notice# to the Department of Buildings at any time on or after the #regulatory agreement date#. The Department of Buildings may thereafter issue building permits to a #compensated development# that utilizes #floor area compensation# or an #MIH development#, based on the #affordable housing# or contribution to the #affordable housing fund# described in such #permit notice#.

(2) If #HPD# does not receive confirmation that the #regulatory agreement# has been recorded within 45 days after the later of the #regulatory agreement date# or the date upon which #HPD# authorizes the recording of the #regulatory agreement#, #HPD# shall suspend or revoke such #permit notice#, notify the Department of Buildings of such suspension or revocation and not reinstate such #permit notice# or issue any new #permit notice# until #HPD# receives confirmation that the #regulatory agreement# has been recorded or any applicable alternate procedure has been completed. Upon receipt of notice from #HPD# that a #permit notice# has been suspended or revoked, the Department of Buildings shall suspend or revoke each building permit issued pursuant to such #permit notice# which is then in effect for any #compensated development# or #MIH development#.

(b) #Compensated development# or #MIH development# certificates of occupancy

(1) The Department of Buildings shall not issue a temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area compensation# or #MIH development# until #HPD# has issued a #completion notice# with respect to the #affordable housing# that generates such #floor area compensation# or satisfies the requirements of paragraph (d) of Section 23-154 (Inclusionary Housing) or any modification of such provisions by special permit of the Board of Standards and Appeals pursuant to Section 73-624 (Reduction or modification of Mandatory Inclusionary Housing requirements). However, where any #story# of a #compensated development# or #MIH development# contains one or more #affordable housing units#, the Department of Buildings may issue any temporary or permanent certificate of occupancy for such #story# if such temporary or permanent certificate of occupancy either includes each #affordable housing unit# located in such #story# or only includes #dwelling units# or #rooming units# that are #affordable housing units#. Nothing in the preceding sentence shall be deemed to prohibit the granting of a temporary or permanent certificate of occupancy for a #super’s unit#.

(2) #HPD# shall not issue a #completion notice# with respect to any portion of any #generating site# or #MIH site# unless:

(i) the Department of Buildings has issued temporary or permanent certificates of occupancy for all #affordable housing# described in such #completion notice# and such certificates of occupancy have not expired, been suspended or been revoked; or

(ii) where a #generating site# contains #affordable housing# that had a valid certificate of occupancy on the #regulatory agreement date# and no new temporary or permanent certificate of occupancy is thereafter required for the creation of such #affordable housing#, #HPD# has determined that all renovation and repair work required by the applicable #regulatory agreement# has been completed and all obligations with respect to the creation of such #affordable housing# have been fulfilled in accordance with the applicable #regulatory agreement#.
