35-531 - Residential rear yard equivalents in certain districts

File generated by <https://zr.planning.nyc.gov> on 11/30/2021

35-531 - Residential rear yard equivalents in certain districts

LAST AMENDED

10/11/2012

In C4-4L Districts, for #through lots# that have a maximum depth of 180 feet or less and are bounded by a #street# containing an elevated rail line, no #residential# #rear yard equivalent# shall be required.
