This district may be mapped only within the Special Ocean Parkway District as well as Community Districts 8 and 14 in the Borough of Queens.

21-14 - R3-1 and R4-1 – Detached and Semi-Detached Residence Districts

LAST AMENDED
12/5/1990

These districts are designed to provide for single- or two-family detached or semi-detached dwellings. R4-1 Districts also permit zero lot line buildings. 21-15 - R3-2, R4, R4B, R5, R6, R7, R8, R9 and R10 – General Residence Districts

LAST AMENDED
2/14/2018

These districts are designed to provide for all types of residential buildings, in order to permit a broad range of housing types, with appropriate standards for each district on density, open space, and spacing of buildings. However, R4B Districts are

limited to single- or two-family dwellings, and zero lot line buildings are not permitted in R3-2, R4 (except R4-1 and R4B), and R5 (except R5B) Districts. The various districts are mapped in relation to a desirable future residential density pattern, with emphasis on accessibility to transportation facilities and to various community facilities, and upon the character of existing development. These districts also include community facilities and open uses which serve the residents of these districts or benefit from a residential environment.

R7-3 and R9-1 Districts may be mapped only as specified in this paragraph. Such districts may be mapped within the waterfront area and in the Special Mixed Use Districts. In addition, R7-3 Districts may be mapped in the Special Long Island City Mixed Use District and Special St. George District, and R9-1 Districts may be mapped in Mandatory Inclusionary Housing areas.
