14-122 - Access for persons with physical disabilities

LAST AMENDED

5/5/2004

An #enclosed sidewalk cafe# or its restaurant shall be directly accessible to persons with physical disabilities. In the event the main restaurant has provided such access, the #enclosed sidewalk cafe# shall be accessible to persons with disabilities from the interior of the restaurant.

In order to ensure access for persons with physical disabilities:

- (a) at least one door leading into the #enclosed sidewalk cafe# or restaurant from the adjoining sidewalk shall be not less than three feet wide, clear; and
- (b) a ramp with non-skid surface, if there is change of grade, having a minimum width of three feet and a slope of not greater than 1 in 12, shall be provided. Such ramp may be of portable type for #enclosed sidewalk cafes# that are six feet wide or less, except if such #sidewalk cafe# is at least 180 square feet in area.
