64-323 - Flood panels in required yards and open space

LAST AMENDED
10/10/2013

Temporary flood control devices and associated emergency egress systems that are assembled prior to a storm and removed thereafter shall be permitted obstructions in #yards# and #rear yard equivalents#, #courts#, #open space#, #waterfront yards# as defined in Article VI, Chapter 2, #public plazas# and all other publicly accessible open areas during such storm event and for a reasonable period prior to and after such storm event, as determined by the Department of Buildings.
