## 62-13 - Applicability of District Regulations

---

LAST AMENDED

6/6/2024

The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control. However, in the event of a conflict between the provisions of this Chapter and the provisions of Article VI, Chapter 4, or Article VI, Chapter 6, the provisions of Article VI, Chapter 4, or Article VI, Chapter 6 shall control.

In the event a Special Purpose District imposes a restriction on the height of a #building or other structure# that is lower than the height limit set forth in this Chapter, the lower height shall control. However, all heights shall be measured from the #base plane#.

The provisions of this Chapter shall not apply to the following Special Purpose Districts unless expressly stated otherwise in the special district provisions:

#Special Battery Park City District#

#Special Brooklyn Navy Yard District#

#Special Governors Island District#

#Special Sheepshead Bay District#

#Special Southern Roosevelt Island District#

#Special Stapleton Waterfront District#.

The regulations of this Chapter shall apply in the following Special Purpose Districts, except as specifically modified within the Special Purpose District provisions:

#Special Flushing Waterfront District#

#Special Gowanus Mixed Use District#

#Special Inwood District#

#Special St. George District#.

---

## 62-131 - Applicability of Article VII, Chapter 3

---

LAST AMENDED

12/5/2024

The following special permits by the Board of Standards and Appeals shall not be applicable within #waterfront blocks#:

Section [73-64](#) (Modifications for Community Facility Uses)

Section [73-68](#) (Height and Setback and Yard Modifications).

The following special permits by the Board of Standards and Appeals shall be applicable on #waterfront blocks# only as

modified in the following Sections:

Section [73-12](#) (Community Facility Uses in R1, R2, R3-1, R3A, R3X, R4-1, R4A or R4B Districts) shall be applicable, except that:

- (a) all references to #floor area ratio# and #open space ratio# shall be modified in accordance with the provisions of Sections [62-32](#) and [62-333](#) pertaining to #floor area ratio# and #lot coverage#, which provisions the Board may modify pursuant to Section [73-12](#); and
- (b) all findings involving the amount and distribution of #open space# shall be made using the open area of the lot resulting from the maximum #lot coverage# set forth in Section [62-333](#); and

Section [73-45](#) (Modification of Off-site Parking Provisions); and

Section [73-49](#) (Roof Parking) shall be applicable, except for those provisions expressly modified by Section [62-40](#) (SPECIAL PARKING AND LOADING REGULATIONS).

---

## **62-132 - Applicability of Article VII, Chapters 4, 5, 8 and 9**

---

LAST AMENDED

12/5/2024

The following special permits by the City Planning Commission shall not be applicable on #waterfront blocks#:

Section [74-72](#) (Bulk Modification)

Section [74-75](#) (Educational Construction Fund Projects)

Section [74-81](#) (Through Block Arcades)

Section [74-83](#) (Developments with Existing Buildings)

Section [74-85](#) (Covered Pedestrian Space).

The following special permits and authorizations by the City Planning Commission shall be applicable on #waterfront blocks# only as modified in the following Sections:

Section [74-195](#) (Public parking garages or public parking lots in high density central areas) shall be applicable, subject to the provisions of Section [62-26](#) (Special Use Regulations for Public Parking Facilities) and the special permit provisions of Section [62-836](#) (Public parking facilities on waterfront blocks); and

Section [74-531](#) (Additional parking spaces or roof parking for accessory group parking facilities) shall be applicable, except that finding (d), relating to roof parking, shall not apply. In lieu thereof, the provisions of Sections [62-411](#) (Accessory residential roof parking) and [62-421](#) (Accessory non-residential roof parking) shall apply;

Section [74-711](#) (Landmark preservation in all districts) shall be applicable, except that #bulk# modification shall also include modification of public access or #visual corridor# requirements. However, in no event shall modification of paragraph (a) of Section [62-31](#) (Bulk Computations on Waterfront Zoning Lots) be permitted;

Section [74-74](#) (Large-scale General Development);

Sections [74-79](#) (Transfer of Development Rights From Landmark Sites) and [75-24](#) (Bulk Modifications Associated With a Transfer of Development Rights From Landmark Sites) shall be applicable, except that permissible modifications shall also

include all #bulk# regulations set forth in Section [62-30](#) (SPECIAL BULK REGULATIONS), except for paragraph (a) of Section [62-31](#) and maximum #floor area ratio# for the applicable district set forth in Section [62-32](#) (Floor Area Regulations on Waterfront Blocks). Modifications may also include public access and #visual corridor# requirements set forth in Sections [62-50](#) and [62-60](#);

Section [78-00](#) (SPECIAL REGULATIONS APPLYING TO LARGE-SCALE RESIDENTIAL DEVELOPMENTS); and

Section [79-00](#) (SPECIAL REGULATIONS APPLYING TO LARGE-SCALE COMMUNITY FACILITY DEVELOPMENTS).

The #large-scale development# provisions of Section [74-74](#) and Article VII, Chapters 8 and 9, shall be applicable, except that:

- (a) In the event a #large-scale development# consists of a portion within a #waterfront block# and a portion within a non-#waterfront block#, all #zoning lots# within the #development# shall be subject to the #bulk# regulations of Section [62-30](#) (SPECIAL BULK REGULATIONS).
- (b) In the event a #large-scale development# is located partially within and partially beyond the #waterfront area#, the landward boundary of the #waterfront area# shall be relocated so as to encompass all #zoning lots# within the #development# and such #development# shall be deemed to be located entirely within the #waterfront area#.
- (c) Any height and setback modifications within a #waterfront block# shall be subject to an additional finding that such modifications would result in a site plan with visual and, where required, physical public access to the waterfront in a way that is superior to that which would be possible by strict adherence to the regulations of Section [62-34](#) (Height and Setback Regulations on Waterfront Blocks).

For the purposes of modifying the height and setback regulations of Section [62-34](#), the term “periphery” shall include all portions of a #large-scale development# within 100 feet of a peripheral #street# or #lot line#. The term “wholly within” shall therefore mean any area of a #large-scale development# which is not within the area designated as periphery. #Large-scale residential developments# within R3, R4 or R5 Districts shall continue to be subject to the periphery provisions of Section [78-31](#) (Location of Buildings, Distribution of Bulk and Open Space and Modification of Height and Setbacks).

- (d) No distribution of #bulk# shall result in an increase in #floor area ratio# on a #zoning lot# within a #waterfront block# beyond 20 percent of the amount otherwise allowed by Section [62-32](#), inclusive. In the event such #zoning lot# to which #bulk# is distributed is a #waterfront zoning lot#, such #bulk# may only be distributed to the #upland lot# and the computation of maximum #floor area ratio# for such #upland lot# shall include any #bulk# distribution from the #seaward lot#. Such limitation on #bulk# distribution shall not apply to #zoning lots# within non-#waterfront blocks#.
- (e) Modification of public access and #visual corridor# requirements shall be subject to the authorization provisions of Section 62-822. In lieu of making the findings in paragraphs (a) or (b) of this Section, the Commission may find that the proposed site plan would result in better achievement of the goals set forth in Section [62-00](#) than would otherwise be possible by strict adherence to the regulations of Sections [62-50](#) and [62-60](#).
- (f) In Community District 1, in the Borough of Queens, where the Commission has approved a #large-scale general development#, and a #lot line# within such #large-scale general development# coincides with the boundary of a mapped #public park#, such #lot line# shall be considered to be a #street line# of a #wide street# for the purposes of applying the requirements of Section [23-372](#) (Distance between legally required windows and lot lines).

---

## 62-133 - Applicability of Residential Design Elements

---

#Developments# that provide a #shore public walkway#, in accordance with the requirements of Section [62-60](#) (DESIGN REQUIREMENTS FOR WATERFRONT PUBLIC ACCESS AREAS), shall be deemed to have met the requirements for recreation space specified in Section [23-63](#) (Required Recreation Space in Multi-family Buildings). In addition, for the purposes of Section [23-613](#) (Front yard planting requirements), the boundary of an #upland connection# located within a private drive shall be considered a #street line#.

---

## 62-134 - Applicability of Article VII, Chapter 7

---

LAST AMENDED  
2/2/2011

The provisions of Article VII, Chapter 7 (Special Provisions for Zoning Lots Divided by District Boundaries), shall be applicable on #waterfront blocks#, as modified in the following Section:

Section [77-28](#) (Height and Setback Regulations) shall be applicable, except that all references to #street# frontage shall be inapplicable. In lieu thereof, the percentage of the #zoning lot# in each district shall be used to determine the quantitative requirements. The provisions in such Section for #Quality Housing buildings# shall be inapplicable. Furthermore, the height and setback regulations applicable to the district in which more than 50 percent of the #lot area# on the #zoning lot# is located, may apply to the entire #zoning lot# provided that the greatest distance from the mapped district boundary to any #lot line# of the #zoning lot# in the district in which less than 50 percent of the area is located does not exceed 25 feet. Such distance shall be measured perpendicular to the mapped district boundary.
