74-54 - Rear Yard Modifications

LAST AMENDED
10/9/1969

In C4, C6, C7, C8, M1, M2 or M3 Districts, for #public parking garages# with more than 150 spaces, the City Planning Commission may permit modifications of the applicable regulations in Sections 33-26 to 33-30, inclusive, and Sections 43-26 to 43-31, inclusive, relative to #rear yard# regulations, provided the following findings are made:

(a) that the #public parking garage# will alleviate excessive on-street parking demand and thereby relieve traffic congestion in the area; and

(b) that because of site limitations such modification is necessary for the proper design and operation of the #public parking garage#.

The Commission shall consider the characteristics of surrounding development and may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of adjacent areas.
