74-801 - In R10H Districts

LAST AMENDED

9/21/2011

In R10H Districts, the City Planning Commission may permit #transient hotels#. Where a #building# in existence on December 15, 1961, is located on a #zoning lot#, a substantial portion of which is located in an R10H District and the remainder in a #Commercial District#, the Commission may also permit the #conversion# of specified #floor area# within such #building# from #residential use# to #transient hotel# #use# without regard to the #floor area#, supplementary #use# or density regulations otherwise applicable in the #Commercial District#. The Commission may also allow any subsequent #conversion# of such specified #floor area# to and from #residential# or #transient hotel# #use# to occur without further Commission approval, subject to the conditions of the special permit.

As a condition precedent to the granting of such #use# or #bulk# modifications, the Commission shall find that such modifications will not impair the essential character of the #Residence District#.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
