## **86-14 - Transparency Requirement**

---

LAST AMENDED

2/2/2011

For #developments# or #enlargements# constructed after March 24, 2009, the ground floor #street wall# bounding any #commercial# or #community facility# #use#, other than a #school#, shall be glazed in accordance with the transparency requirements set forth in Section 37-34 (Minimum Transparency Requirements).
