95-052 - Special access facilities for persons with disabilities at certain stations

LAST AMENDED

2/2/2011

For #zoning lots# subject to the provisions of Section 95-031 (Selection of transit easement at certain stations), special elevators for persons with disabilities may locate within a transit easement volume, provided stair and/or escalator access to the subway mezzanine are located within the same easement and in no event located within the public sidewalk adjacent to the #zoning lot#.

Such special elevators shall be designed by the Metropolitan Transportation Authority in consultation with the owner of the #zoning lot# and shall be integrated architecturally, including color and material, with the #buildings# on the #zoning lot# and with adjoining #public plaza# area. Design concept for such elevators shall be submitted to the City Planning Commission for certification.
