109-36 - Mandatory Street Trees

LAST AMENDED

4/30/2008

In addition to the applicable underlying #street# tree planting requirements, all changes of #use# within the same or to other Use Groups of at least 50 percent of the #floor area# of an existing #building#, or alterations above 30 percent of the #building# value of an existing #building#, pursuant to the applicable articles of the Building Code of the City of New York, within Area B, shall provide #street# trees as set forth in Section 26-41 (Street Tree Planting), except that for a #zoning lot# frontage on Houston Street such mandatory trees may alternatively be located on the median traffic island of Houston Street.
