128-54 - Location of Accessory Off-street Parking Spaces

LAST AMENDED

2/2/2011

No open parking areas shall be located between the #street wall# of a #building# and the #street line#, and no open parking area shall front upon a #commercial street#. All open parking areas, regardless of the number of parking spaces, shall comply with the perimeter screening requirements of Section 37-921.

All off-street parking spaces within structures shall be located within facilities that, except for entrances and exits, are:

- (a) entirely below the level of each #street# upon which such facility fronts; or
- (b) located, at every level above-grade, behind #floor area# or screening in accordance with the provisions of Section [37-35](#) (Parking Wrap and Screening Requirements). For the purpose of applying such provisions, #commercial streets# designated on Map 2 in Appendix A of this Chapter shall be considered designated retail #streets#; and
- (c) no parking shall be permitted on the roof of such facilities.
