LAST AMENDED

7/29/2009

The requirements of Section 126-234 (Planting requirement in front yards) and paragraph (c) of Section 126-233 (Special provisions along district boundaries) may be waived in whole or in part if the Commissioner of Buildings certifies that such requirements are infeasible due to unique geological conditions such as excessive subsurface rock conditions, underground municipal infrastructure, or a City, State or Federal mandated brownfield remediation that requires the site to be capped.

Such waiver shall be based on a report prepared by a licensed engineer that such conditions exist.
