101-721 - Height and setback

File generated by <https://zr.planning.nyc.gov> on 12/3/2021

101-721 - Height and setback

LAST AMENDED

2/2/2011

The underlying height and setback regulations shall apply, except that the front wall of any #building# shall be coincident with the #street line# for a minimum height above #curb level# of 16 feet and, in a C2-4 District mapped within an R6A District, a maximum height above #curb level# of 50 feet or, in a C2-4 District mapped within an R7A District, a maximum height above #curb level# of 60 feet.
