107-03 - Requirements for Certification, Authorization or Special Permit Application

LAST AMENDED

9/11/1975

An application to the City Planning Commission for a certification, authorization or special permit respecting a #development# or #site alteration# shall include a survey map prepared by a licensed land surveyor showing existing topography at two foot contour intervals, the location of all existing #buildings or other structures#, the location of all proposed #buildings or other structures#, the location of individual existing trees of six inch caliper or more, the location of any elements of the #open space network# on or adjacent to the #zoning lot#, and such other information as may be required by the Commission for its determination as to whether or not the certification, authorization or special permit is warranted.
