107-252 - Special provisions for park streets

LAST AMENDED

2/2/2011

For those #streets# designated as #park streets#, the following regulations shall apply:

(a) Access restrictions

No curb cuts are permitted on such #streets# except that one curb cut is permitted for any #residential#, #community facility# or #commercial# #use# whose #zoning lot# has frontage only on a #park street#. For purposes of this Section, adjoining #zoning lots# in the same ownership shall be treated as one #zoning lot#.

For #zoning lots# with access to both #park streets# and non-#park streets#, the City Planning Commission may authorize one or more curb cuts on the #park street#, pursuant to the provisions of Section 107-68 (Modification of Group Parking Facility and Access Regulations).

(b) Landscaping

One tree of at least three inch caliper, pre-existing or newly planted, shall be provided for each 400 square feet of area of the #street# sidewalk area. Trees shall be selected in accordance with the table set forth in Appendix B and shall be planted in the #street# sidewalk area.

(c) Development and maintenance responsibility

The owner of each #development# abutting a #park street# shall have responsibility for landscaping and maintenance of that portion of the #park street# located between the #front lot line# and the curb.

Alternatively, maintenance responsibility may be vested in a properly constituted Home Association or other organization established for this purpose. Those segments of a #park street# which are abutted by land #developed# prior to the effective date of the Special District designation shall be #developed#, landscaped and maintained by the City of New York.
