107-412 - Special bulk regulations for certain community facility uses in lower density growth management areas

LAST AMENDED

1/18/2011

The #bulk# regulations of this Chapter applicable to #residential buildings# shall apply to all #zoning lots# in #lower density growth management areas# containing #buildings# used for:

- (a) ambulatory diagnostic or treatment health care facilities, as listed in Section 22-14 (Use Group 4), except where such #zoning lot# contains #buildings# used for hospitals, as defined in the New York State Hospital Code, or #long-term care facilities#; or
- (b) child care services as listed under the definition of #school# in Section 12-10 (DEFINITIONS), except where such #zoning lot# contains #buildings# used for houses of worship or, for #zoning lots# that do not contain #buildings# used for houses of worship, where the amount of #floor area# used for child care services is equal to 25 percent or less of the amount of #floor area# permitted for #community facility use# on the #zoning lot#.
