107-91 - Inter-agency Coordination

LAST AMENDED

2/2/2011

Where an authorization or permit for a #site alteration# or #development# is required from the City Planning Commission pursuant to this Chapter and where a permit is required from the Department of Transportation or Department of Buildings for land contour work, or from the Department of Environmental Protection for a storm water drainage system for #buildings# or adjacent areas, or where construction of a public improvement project is undertaken by a City agency, the Department of City Planning and the agencies involved shall jointly determine the conditions under which such proposed #development# or #site alteration# will best meet the purposes of the #Special South Richmond Development District#. Applications for any required permit or authorization shall be filed simultaneously with each agency from which the permit or authorization is required.
