139-311 - Reduction of parking requirements for residences

LAST AMENDED 11/23/2021

In all districts, for the purposes of applying the provisions of Sections 36-33 (Requirements Where Group Parking Facilities Are Provided) and 123-72 (Residential and Community Facility Uses), the provisions of Section 25-23 (Requirements Where Group Parking Facilities Are Provided) shall be modified to require that #accessory# off-street parking spaces be provided for at least 20 percent of #residences# on a #zoning lot#.

For the purposes of applying waivers, the provisions of Section 25-26 (Waiver of Requirements for Small Number of Spaces) shall be modified so that the maximum number of #accessory# off-street parking spaces for which requirements are waived is 20 spaces.

Notwithstanding the above, in Subarea D4, and in Subarea D5 north of the mid-#block# line, no #accessory# off-street parking spaces for #residences# shall be required.
