74-161 - Retail and service uses

LAST AMENDED

6/6/2024

In all #Commercial Districts# and #Manufacturing Districts#, the City Planning Commission may permit modifications to #uses# listed under Use Group VI, as set forth in Sections [32-16](#) and [42-16](#) (Use Group VI – Retail and Services), pursuant to paragraph (a) of this Section, provided that the findings in paragraph (b) are met.

- (a) For #uses# listed under Use Group VI, other than those #uses# for which another permit exists pursuant to Section [74-16](#), inclusive, the Commission may permit modifications to a size limitation, denoted in the Use Group table with an “S”, beyond any size limitation established by special permit of the Board of Standards and Appeals pursuant to Section [73-16](#), inclusive.

In conjunction with such size modification, the Commission may permit: modifications to supplementary #use# regulations, including enclosure and location within #buildings# provisions; or modifications to additional conditions, denoted in the Use Group table with a “P”, including environmental standards, geographic limitations, or other measures.

- (b) In order to grant such permit, the Commission shall find that:
- (1) such #use# will not impair the character or the future use or development of the surrounding area;
 - (2) such #use# will not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian flow; and
 - (3) the modifications are necessary to support the operation of such #use#.

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
