### 73-01 - General Provisions

---

LAST AMENDED  
4/22/2009

In harmony with the general purpose and intent of this Resolution and in accordance with the provisions set forth in this Chapter, the Board of Standards and Appeals may, in an appropriate case:

- (a) grant special permits for specified #uses# in specific districts (referred to hereinafter as special permit #uses#);
- (b) permit specified modifications of the #use# or #bulk# regulations of this Resolution;
- (c) permit the renewal of revoked building permits as provided in Sections [11-31](#) to [11-33](#), inclusive, relating to Building Permits Issued before Effective Date of Amendment; or
- (d) permit the renewal of a variance, exception, or permit issued by the Board prior to December 15, 1961, in accordance with the provisions of Section [11-41](#) relating to Exceptions, Variances, or Permits Previously Authorized;

provided that, in each specific case, the requirement for findings as set forth in this Chapter (or in the Sections referred to in paragraph (c) or (d) of this Section) shall constitute a condition precedent to the grant of such special permit, modification, or renewal.

In addition to meeting the requirements, conditions, and safeguards prescribed by the Board as set forth in this Chapter, each such special permit #use# shall conform to and comply with all of the applicable district regulations on #use#, #bulk#, supplementary #use# regulations, regulations applying along district boundaries, #accessory# #signs#, #accessory# off-street parking and off-street loading, and all other applicable provisions of this Resolution, except as otherwise specifically provided in this Chapter or as they may be modified in accordance with paragraph (b) of this Section. In the case of required #accessory# off-street parking, such #use# shall satisfy the requirements specified for such #uses# in Sections [25-31](#), [36-21](#) or [44-21](#) (General Provisions) except that, where no parking requirement is specified therein, such #use# shall satisfy the requirements set forth in this Chapter.

In the #waterfront area#, the powers of the Board to grant special permits are made inapplicable or modified in accordance with the provisions of Section [62-131](#) (Applicability of Article VII, Chapter 3).

### 73-02 - Further Requirements

---

LAST AMENDED  
12/15/1961

It shall be a further requirement that the decision or determination of the Board of Standards and Appeals shall set forth each required finding in each specific grant of a special permit #use#, modification or renewal and, in each denial thereof, which of the required findings have not been satisfied. In any such case, each finding shall be supported by substantial evidence or other data considered by the Board in reaching its decision, including the personal knowledge of or inspection by the members of the Board.

---

## 73-03 - General Findings Required for All Special Permit Uses and Modifications

---

LAST AMENDED  
12/18/1980

The Board of Standards and Appeals shall have the power, as authorized by Section [73-01](#), paragraph (a) or (b), and subject to such appropriate conditions and safeguards as the Board shall prescribe, to grant special permit #uses# or modifications of #use#, parking, or #bulk# regulations as specifically provided in this Chapter, provided in each case:

- (a) The Board shall make all of the findings required in the applicable sections of this Chapter with respect to each such special permit #use# or modification of #use#, parking or #bulk# regulations and shall find that, under the conditions and safeguards imposed, the hazards or disadvantages to the community at large of such special permit #use# or modification of #use#, parking or #bulk# regulations at the particular site are outweighed by the advantages to be derived by the community by the grant of such special permit. In each case the Board shall determine that the adverse effect, if any, on the privacy, quiet, light and air in the neighborhood of such special permit #use# or modification of #use#, parking or #bulk# regulations will be minimized by appropriate conditions governing location of the site, design and method of operation.
- (b) In all cases the Board shall deny a special permit whenever such proposed special permit #use# or modification of #use#, parking or #bulk# regulations will interfere with any public improvement project (including housing, highways, public #buildings# or facilities, redevelopment or renewal projects, or right-of-way for sewers, transit or other public facilities) which is approved by or pending before the Board of Estimate, Site Selection Board or the City Planning Commission as determined from the calendars of each such agency issued prior to the date of the public hearings before the Board of Standards and Appeals.
- (c) When under the applicable findings the Board is required to determine whether the special permit #use# or modification of #use#, parking or #bulk# regulations is appropriately located in relation to the #street# system, the Board shall in its discretion make such determination on the basis of the Master Plan of Arterial Highways and Major Streets on the official City Map. Whenever the Board is required to make a finding on the location of a proposed special permit #use# or modification of #use#, parking or #bulk# regulations in relation to secondary or local #streets# and such classification of #streets# is not shown on the Master Plan, the Board in its discretion shall request the City Planning Commission to establish a report on the appropriate classification of such #street#.
- (d) For applications relating to Sections [73-243](#), [73-48](#) and [73-49](#), the Board in its discretion shall request from the Department of Transportation a report with respect to the anticipated traffic congestion resulting from such special permit #use# or modification of #use#, parking or #bulk# regulations in the proposed location. If such a report is requested, the Board shall in its decision or determination give due consideration to such report and further shall have the power to substantiate the appropriate finding solely on the basis of the report of the Department of Transportation with respect to the issue referred.
- (e) If a term of years is specified in the applicable section, the Board shall establish a term of years not to exceed such maximum. For those special permit #uses# or modification of #use# parking or #bulk# regulations for which a maximum term has not been specified, the Board may fix an appropriate term for any such special permit #use# or modification of #use# parking or #bulk# regulations.
- (f) On application for renewal of any such special permit authorized in this Chapter, the Board shall determine whether the circumstances warranting the original grant still obtain. In addition, the Board shall ascertain whether the applicant has complied with the conditions and safeguards theretofore described by the Board during the prior term. In the event that the Board shall find the applicant has been in substantial violation thereof, it shall deny the application for renewal.

- (g) The Board may permit the #enlargement# or #extension# of any existing #use#, which, if new, would be permitted by special permit in the specified districts under the provisions of Section [73-01](#) and other applicable provisions of this Chapter, provided that before granting any such permit for #enlargement# or #extension# within the permitted districts, the Board shall make all of the required findings applicable to the special permit #use#, except that:
- (1) in the case of colleges or universities in R1 or R2 Districts, the Board may waive all such required findings set forth in Section [73-121](#) (Colleges or universities); and
  - (2) in the case of public utility #uses#, the Board may waive all such required findings set forth in Sections [73-14](#) (Public Service Establishments) or [73-16](#) (Public Transit, Railroad or Electric Utility Substations).

No such #enlargement# or #extension# shall create a new #non-compliance# or increase the existing degree of #non-compliance# with the applicable #bulk# regulations, except as may be permitted in accordance with the provisions of Sections [73-62](#) to [73-68](#), inclusive, relating to Modification of Bulk Regulations.

---

## **73-04 - Conditions and Safeguards**

---

LAST AMENDED  
8/16/1979

The Board of Standards and Appeals may prescribe such conditions and safeguards to the grant of special permit (#uses#) as it may deem necessary in the specific case, in order to minimize the adverse effects of such special permit upon other property and the community at large. Such conditions and safeguards shall be incorporated in the building permit and certificate of occupancy. Failure to comply with such conditions or restrictions shall constitute a violation of this Resolution, and may constitute the basis for denial or revocation of a building permit or certificate of occupancy and for all other applicable remedies.

- (c) such expanded #use# is not so situated or of such character or size as to impair the essential character or the future use or development of the surrounding area.

In the case of a #use# which, at the time of application to the Board under the provisions of this Section, is already partially located in the more restricted district, where it is a #non-conforming use#, or which has extended into such district in accordance with the provisions of Section [77-11](#) (Conditions for Application of Use Regulations to Entire Zoning Lot), the maximum expansion to be permitted under the provisions of this Section shall be computed as 50 percent of the width or depth of that portion of the #zoning lot# located within the mapped boundary of the district where such #use# is a conforming #use#, and shall be measured from such mapped district boundary.

In every case where the Board permits such expansion, the #building or other structure#, or portion thereof, situated on the expanded portion of the #zoning lot# shall comply on such expanded portion with the applicable #bulk# regulations of the district in which such #use# is a conforming #use# and, subject to such compliance on the expanded portion of the #zoning lot#, the Board may permit such conforming #use#, even when located in an existing #building or other structure# which is #non-complying#, to expand across the district boundary in accordance with the provisions of this Section.

All the applicable regulations of the district in which such #use# is a conforming #use# shall apply on the entire #zoning lot#, or any portion thereof, to be occupied by such #use# and any special regulation applying along district boundaries shall apply along #rear# and #side lot lines# of the expanded #zoning lot#.

Where #yard# regulations are applicable, the Board may permit the expanded area to include, in addition to area permitted under other provisions of this Section, such area as is necessary for the required #yards#. - (a) that the spaces #accessory# to such other #uses# will remain available for #use# by persons visiting the place of assembly during the entire period that such place of assembly remains in #use#; and
- (b) that, in accordance with submitted schedules of the times of operation for all #uses# on the #zoning lot#, there will be no conflict in the #use# of such #accessory# off-street parking spaces, and that the provision of the full quota of required off-street parking spaces for places of assembly is therefore not needed. As a condition for such waiver or reduction, at least 20 percent of all #dwelling units# in such #development# or #enlarged building# shall be #income-restricted housing units#, and an additional 30 percent of all #dwelling units# in such #development# or #enlarged building# shall be subject to a legally binding restriction limiting rents as prescribed by a City, State, or Federal agency, law, regulation, or regulatory agreement, for a period of not less than 30 years.

In order to grant such permit, the Board shall find that such waiver or reduction will:

- (a) that the required #accessory# on-street parking spaces cannot reasonably be provided on the #zoning lot# because of physical conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions;
- (b) that within the maximum permitted radius for off-site parking or within a district other than a #Residence District#, there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces because such sites are occupied by substantial improvements;
- (c) that where such spaces are located at a greater distance from the #zoning lot# than the maximum distance permitted by the district regulations, such distance is not greater than as shown in the following table for the specified districts; and

Maximum Distance (in feet)	Districts
1,200	R3 R4 R5 R6 R7-1 R7B C1-1 C1-2 C1-3 C2-1 C2-2 C2-3 C3 C4-1 C4-2 C4-3

## 73-452 - For community facilities in Residence Districts

---

LAST AMENDED

6/27/1963

The Board of Standards and Appeals may permit off-street parking spaces #accessory# to a #community facility# #use# other than a #non-profit hospital staff dwelling#, which #use# is located in an R1, R2, R3 or R4 District, to be provided off-site and located in any district, or may permit off-street parking spaces #accessory# to a #community facility# #use# other than a #non-profit hospital staff dwelling#, which #use# is located in any other #Residence District#, to be provided off-site and located in an R1, R2, R3 or R4 District or located in any other #Residence District# at a greater distance from the #zoning lot# than the maximum distance specified in Section [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), provided that in such

instances, all such spaces shall be not further than 600 feet from the nearest boundary of the #zoning lot# containing such #use#, and provided further that the following special findings are made:

- (a) that where such spaces are located in an R1 or R2 District, the #community facility# #use# to which they are #accessory# is a #use# permitted as-of-right in such district;
- (b) that there is no way to arrange such spaces on the same #zoning lot# as such #use#;
- (c) that such spaces are so located as to draw a minimum of vehicular traffic to and through #streets# having predominantly #residential# frontage; and
- (d) either that such spaces are located on an adjoining #zoning lot# or a #zoning lot# directly across the #street# from such #use# or, if such spaces are not so located, that there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces on an adjoining #zoning lot# or a #zoning lot# directly across the #street# from such #use# or in a location where such off-site spaces would be permitted as-of-right, because such sites are occupied by substantial improvements.

LAST AMENDED  
6/27/1963

For non-#residential uses#, other than #non-profit hospital staff dwellings#, the Board of Standards and Appeals may extend the maximum permitted radius for off-site parking spaces located in #Commercial# or #Manufacturing Districts#, as specified in Sections [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), [36-43](#) (Off-site Spaces for Commercial or Community Facility Uses) or [44-32](#) (Off-site Spaces for All Permitted Uses), from 600 to 1,200 feet, whenever the Board finds:

- (a) that the required #accessory# off-street parking spaces cannot reasonably be provided on the #zoning lot# because of physical conditions including irregularity, narrowness or shallowness of lot size or shape, or exceptional topographical or other physical conditions; and
- (b) that, within 600 feet of a boundary of the #zoning lot#, there is substantial difficulty in obtaining a site of sufficient size to accommodate the required #accessory# off-street parking spaces because such sites are occupied by substantial improvements.

### **73-454 - For houses of worship**

---

LAST AMENDED  
9/9/2004

The Board of Standards and Appeals may modify, as applicable, the provisions of Sections [25-53](#) (Off-site Spaces for Permitted Non-residential Uses), [25-542](#) (Shared parking facilities for houses of worship), [36-43](#) (Off-site Spaces for Commercial or Community Facility Uses), [36-442](#) (Shared parking facilities for houses of worship), [44-32](#) (Off-site Spaces for All Permitted Uses) or [44-332](#) (Shared facilities for houses of worship), relating to the maximum permitted distance of the location of #accessory# off-street parking spaces for houses of worship, provided that in such instances all such spaces shall be not further than 1,000 feet from the nearest boundary of the #zoning lot# containing such house of worship, upon finding that:

- (a) such spaces conform to all applicable regulations of the district in which they are located; and
- (b) the location of such spaces will not result in undue traffic congestion in the area.

The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

## **73-46 - Waiver of Requirements for Conversions**

---

LAST AMENDED

2/2/2011

In R6 or R7-1 Districts, in C1 or C2 Districts mapped within R6 or R7-1 Districts, or in C4-2 or C4-3 Districts, where the number of #accessory# off-street parking spaces required for additional #dwelling units# created by #conversions# of any kind exceeds the number of spaces which may be waived as of right under the provisions of Sections [25-262](#) (For conversions), [36-363](#) (For conversions in C1 or C2 Districts governed by surrounding Residence District bulk regulations) or [36-364](#) (For conversions in C4 Districts), the Board of Standards and Appeals may waive all or part of the required spaces, provided that the Board finds that there is neither a practical possibility of providing such spaces:

- (a) on the same #zoning lot# because of insufficient #open space# and the prohibitive cost of structural changes necessary to provide the required spaces within the #building#; nor
- (b) on a site located within 1,200 feet of the nearest boundary of the #zoning lot# because all sites within such radius are occupied by substantial improvements.

In C1 or C5 Districts, for a term not to exceed five years, the Board of Standards and Appeals may permit off-street parking spaces #accessory# to #residences# or #non-profit hospital staff dwellings# to be rented for periods of less than one week, to persons who are not occupants of such #residences# or #non-profit hospital staff dwellings#, provided that such rental of spaces conforms to the provisions set forth in Section [36-46](#) (Restrictions on Use of Accessory Off-street Parking Spaces) and that the following special findings are made:

- (a) that the number of spaces to be rented or the location of access, thereto, is such as to draw a minimum of vehicular traffic to and through #streets# having predominantly #residential# frontages;
- (b) that the total number of spaces to be rented to non-residents does not exceed 100; and
- (c) that where the total number of spaces to be rented to non-residents exceeds 20, reservoir space is provided at the vehicular entrance to accommodate 10 automobiles or 20 percent of the spaces so rented, whichever amount is less.

The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area, including limitations on #signs# or requirements for the shielding of floodlights.

The Board of Standards and Appeals may permit #accessory# #group parking facilities# with more than 150 spaces for hospitals and related facilities in all #Residence Districts#, provided that the following findings are made:

- (a) that such facility is so located as to draw a minimum of vehicular traffic to and through local #streets# in residential areas;
- (b) that such facility has adequate reservoir space at the vehicular entrance to accommodate either 10 automobiles or five percent of the total parking spaces provided by the facility, whichever amount is greater, but in no event shall such reservoir space be required for more than 20 automobiles; and
- (c) that the #streets# providing access to such #use# will be adequate to handle the traffic generated thereby.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area, including requirements for locations of entrances and exits or for shielding of floodlights.

- (b) that the #streets# providing access to such #use# will be adequate to handle the traffic generated thereby.

LAST AMENDED

6/27/1963

In C2-1, C2-2, C2-3, C2-4, C4-1, C4-2, C4-3, C4-4, C7, C8-1, C8-2, C8-3, M1-1, M1-2, M1-3, M2-1, M2-2 or M3-1 Districts,

As a condition of permitting such roof parking, the Board shall find that the roof parking is so located as not to impair the essential character or the future use or development of adjacent areas.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area, including requirements for setback of roof parking areas from #lot lines#, or for shielding of floodlights.

## **73-50 - SPECIAL PROVISIONS APPLYING ALONG DISTRICT BOUNDARIES**

---

LAST AMENDED

6/12/1996

In appropriate cases, for #zoning lots# with single frontage, the Board of Standards and Appeals may permit primary business entrances, #show windows#, or #signs# not otherwise permitted under the provisions of Section [32-51](#) or [42-44](#) (Limitations on Business Entrances, Show Windows or Signs), provided that in no case shall any such primary business entrance, #show window# or #sign# be permitted within 10 feet of a #Residence District# boundary.

It is further provided that, in appropriate cases, the Board may waive in whole or in part the #front yard# requirement set forth in Section [43-304](#) (Required front yards along district boundary located in a street) after finding that such waiver will not have an adverse effect on the surrounding area. The Board shall prescribe appropriate conditions and safeguards to preserve and enhance the character of the surrounding area, and to ensure the maintenance of resulting #front yards#.

## **73-52 - Modifications for Zoning Lots Divided by District Boundaries**

---

LAST AMENDED

6/25/1964

Whenever a #zoning lot# existing in single ownership on December 15, 1961, or on the effective date of any applicable subsequent amendment to the #zoning maps# is divided by a boundary between two or more districts in which different #uses#

are permitted, the Board of Standards and Appeals may permit a #use# which is a permitted #use# in the district in which more than 50 percent of the #lot area# of the #zoning lot# is located to #extend# not more than 25 feet into the remaining portion of the #zoning lot#, where such #use# is not a permitted #use#, provided that the following findings are made:

- (a) that, without any such extension, it would not be economically feasible to use or #develop# the remaining portion of the #zoning lot# for a permitted #use#; and
- (b) that such extension will not cause impairment of the essential character or the future use or development of the surrounding area.

Where such an extension of a #use# is permitted, the Board may permit the #bulk#, off-street parking and loading, and all other regulations of the district in which more than 50 percent of the #lot area# of the #zoning lot# is located, to apply for the distance, not exceeding 25 feet, that such #use# is permitted to #extend# into the remaining portion of the #zoning lot#.

Any portion of the #zoning lot# beyond such distance shall be subject to all the regulations of the district in which it is located, and shall not be counted as #lot area# for a #building or other structure#, or portion thereof, used for such #extended use#.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effect on the character of the surrounding area.

### **73-53 - Enlargements or Extensions of Certain Manufacturing or Related Uses**

---

LAST AMENDED  
2/2/2011

- (a) In all districts, the Board of Standards and Appeals may modify #use# and #bulk# regulations to permit the #enlargement# or #extension# of #floor area# of a conforming or #non-conforming# #use# listed in Section [15-60](#) (REFERENCED COMMERCIAL AND MANUFACTURING USES), provided that:
  - (1) such #use# is not subject to termination pursuant to Section [52-70](#), et seq.;
  - (2) the #use# for which such special permit is being sought has been lawfully located on the #zoning lot# on which the expansion is to occur, or a portion thereof, for five years or more;
  - (3) the #building# in which such #use# is located has not previously been #enlarged#, pursuant to Sections [11-412](#), [43-121](#) or [72-21](#);
  - (4) the #use# is not listed in Use Group 18; and
  - (5) in a #Residence District#, such #enlargement# or #extension# shall be permitted in existing #floor area# or on a vacant portion of a #zoning lot# only when no lawful #residential use# has occupied such #floor area# or vacant portion of a #zoning lot# at any time during the five years prior to the date of application for such special permit.
- (b) Any #enlargement# or #extension# permitted pursuant to this Section shall be subject to the following requirements:
  - (1) the permitted #enlargement# or #extension# may be the greater of:
    - (i) 45 percent of the #floor area# occupied by such #use# on December 17, 1987; or
    - (ii) 2,500 square feet additional to the #floor area# occupied by such #use# on December 17, 1987.

In no event shall the amount of #enlargement# or #extension# under paragraph (b)(i) of this Section exceed 10,000

square feet additional to the #floor area# occupied by such #use# on December 17, 1987;

- (2) unless the #zoning lot# is located within an M2 or M3 District, more than 300 feet from a #Residence District# boundary, any #enlarged# or #extended# portion, or activity generated by such #enlargement# or #extension#, including storage and processing, shall be in #completely enclosed# #buildings#;
  - (3) in the case of a #non-conforming# #use#, such #enlarged# or #extended use# shall conform to all performance standards applicable in an M1 District located at the boundary with a #Residence District#; however, conforming #uses# shall conform to the applicable performance standards of the district in which they are located;
  - (4) no open #uses# of any kind, including storage or processing, shall be permitted within 30 feet of a #rear lot line# that is located within a #Residence District# or within 30 feet of the #rear lot line# that coincides with a #rear lot line# of a #zoning lot# in a #Residence District#;
  - (5) no #enlargement# or #extension# that exceeds 16 feet above #curb level# shall be permitted within 30 feet of the #rear lot line# that coincides with a #rear lot line# of a #zoning lot# in a #Residence District#;
  - (6) no #enlargement# or #extension# that exceeds 16 feet above #curb level# shall be permitted within eight feet of the #side lot line# that coincides with a #rear lot line# of a #zoning lot# in a #Residence District#;
  - (7) no open #uses# of any kind, including storage or processing, shall be permitted within eight feet of the #side lot line# that coincides with a #rear lot line# of a #zoning lot# in a #Residence District#;
  - (8) no #enlargement# or #extension#, or open #uses# of any kind, including storage or processing, shall be permitted within eight feet of the #lot line# which coincides with a #side lot line# of a #zoning lot# in an R1, R2, R3, R4 or R5 District; and
  - (9) no #side yard# shall be required in an R6, R7, R8, R9 or R10 District or in a #Commercial District# or #Manufacturing District#; however, if such #side yard# is provided, it must be at least eight feet in width.
- (c) In granting such special permit, the Board shall find:
- (1) that such #enlargement# or #extension# will not generate significant increases in vehicular or pedestrian traffic nor cause congestion in the surrounding area;
  - (2) that there will be adequate parking for any vehicles generated by such #enlargement# or #extension#;
  - (3) that any required #side yard# shall be suitably landscaped or fenced as the Board shall prescribe;
  - (4) that any #accessory# parking or loading generated by such #enlargement# or #extension# shall be suitably buffered from adjacent #uses# by methods that the Board shall prescribe; and
  - (5) that the special permit, if granted, will not alter the essential character of the neighborhood or district in which the #use# is located, nor impair the future use or development of the surrounding area.

The Board may prescribe appropriate conditions and safeguards including, if appropriate, limitations on hours of parking and delivery, requirements for off-street loading, and location of curb cuts to minimize adverse effects of the #enlargement#, #extension# or existing #uses# on the character of the surrounding area, and to protect #residential# or #commercial zoning lots#.

---

LAST AMENDED  
2/2/2011

---

### **73-621 - Enlargement, change of use, or extension within buildings containing residential uses**

---

LAST AMENDED  
2/2/2011

For a complying or #non-complying# #building# existing on December 15, 1961, or in R2X, R3, R4 or R5 Districts on June 30, 1989, and containing #residential uses#, the Board of Standards and Appeals may permit an #enlargement#, a change of #use# or (in the case of a #mixed building#) an #extension#, provided that such #enlargement#, change of #use# or #extension# shall not create any new #non-compliance# or increase the amount or degree of any existing #non-compliance# except as provided in this Section.

In the districts and for the #buildings# for which an #open space ratio# is required, the #open space ratio# permitted under this Section shall not be less than 90 percent of the #open space ratio# required under the applicable #bulk# regulations set forth in Article II or III of this Resolution. In the districts and for the #buildings# to which a maximum #lot coverage# applies, the maximum #lot coverage# permitted under this Section shall not exceed 110 percent of the maximum #lot coverage# permitted under the applicable #bulk# regulations set forth in Article II or III of this Resolution. In all districts, the #floor area ratio# permitted under this Section shall not exceed the #floor area ratio# permitted under such regulations by more than 10 percent. In R2X, R3 or R4 Districts, the additional #floor area# permitted pursuant to this Section may be computed using a base #floor area ratio# including the #floor area# permitted under a sloping roof with a structural headroom between five and eight feet when such space is provided in the #building#.

---

### **73-622 - Enlargements of single- and two-family detached and semi-detached residences**

---

LAST AMENDED  
5/12/2021

The Board of Standards and Appeals may permit an #enlargement# of an existing #single-# or #two-family# #detached# or #semi-detached# #residence#, except #cottage envelope buildings# as such term is defined in Section [64-11](#) (Definitions), utilizing the provisions of Section [64-33](#) (Special Bulk Regulations for Cottage Envelope Buildings), within the following areas:

- (a) Community Districts 11 and 15, in the Borough of Brooklyn;
- (b) R2 Districts within the area bounded by Avenue I, Nostrand Avenue, Kings Highway, Avenue O and Ocean Avenue, Community District 14, in the Borough of Brooklyn; and
- (c) within Community District 10 in the Borough of Brooklyn, after October 27, 2016, only the following applications, Board of Standards and Appeals Calendar numbers 2016-4218-BZ, [234-15-BZ](#) and 2016-4163-BZ, may be granted a special permit pursuant to this Section. In addition, the provisions of Section [73-70](#) (LAPSE OF PERMIT) and paragraph (f) of Section [73-03](#) (General Findings Required for All Special Permit Uses and Modifications), shall not apply to such applications and such special permit shall automatically lapse and shall not be renewed if substantial construction, in compliance with the approved plans for which the special permit was granted, has not been completed within two years from the effective date of issuance of such special permit.

Such #enlargement# may create a new #non-compliance#, or increase the amount or degree of any existing #non-compliance#, with the applicable #bulk# regulations for #lot coverage#, #open space#, #floor area#, #side yard#, #rear yard# or perimeter wall height regulations, provided that:

- (1) any #enlargement# within a #side yard# shall be limited to an #enlargement# within an existing #non-complying# #side yard# and such #enlargement# shall not result in a decrease in the existing minimum width of open area between the #building# that is being #enlarged# and the #side lot line#;
- (2) any #enlargement# that is located in a #rear yard# is not located within 20 feet of the #rear lot line#; and
- (3) any #enlargement# resulting in a #non-complying# perimeter wall height shall only be permitted in R2X, R3, R4, R4A and R4-1 Districts, and only where the #enlarged building# is adjacent to a #single-# or #two-family# #detached# or #semi-detached# #residence# with an existing #non-complying# perimeter wall facing the #street#. The increased height of the perimeter wall of the #enlarged building# shall be equal to or less than the height of the adjacent #building's# #non-complying# perimeter wall facing the #street#, measured at the lowest point before a setback or pitched roof begins. Above such height, the setback regulations of Section [23-631](#), paragraph (b), shall continue to apply.

The Board shall find that the #enlarged# #building# will not alter the essential character of the neighborhood or district in which the #building# is located, nor impair the future use or development of the surrounding area. The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

### **73-623 - Bulk modifications for certain Quality Housing buildings on irregular sites**

---

LAST AMENDED 3/22/2016

For #developments# or #enlargements# of #Quality Housing buildings# in which at least 50 percent of the #dwelling units# are #income-restricted housing units#, or at least 50 percent of its total #floor area# is a #long-term care facility# or philanthropic or non-profit institution with sleeping accommodation, the Board of Standards and Appeals may modify the underlying #bulk# regulations, other than #floor area ratio#, provided that in no event shall such #building# height or the number of #stories# therein exceed those set forth in paragraph (b) of Section [23-664](#) (Modified height and setback regulations for certain Inclusionary Housing buildings or affordable independent residences for seniors), and provided that the Board finds that:

- (a) there are physical conditions, including irregularity, narrowness or shallowness of lot size or shape, or topographical features that create practical difficulties in complying with the #bulk# regulations for #Quality Housing buildings# and would adversely affect the #building# configuration or site plan;
- (b) the practical difficulties of developing on the #zoning lot# have not been created by the owner or by a predecessor in title;

- (c) the proposed modifications will not unduly obstruct access of light and air to adjoining properties or #streets#;
- (d) the proposed scale and placement of the #development# or #enlargement# relates harmoniously with the surrounding area; and
- (e) the requested modification is the least amount necessary to relieve such practical difficulties.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

---

## **73-624 - Reduction or modification of Mandatory Inclusionary Housing requirements**

---

LAST AMENDED  
3/22/2016

For a #development#, #enlargement# or #conversion# subject to the provisions of paragraph (d)(3), inclusive, of Section [23-154](#) (Inclusionary Housing), the Board of Standards and Appeals may, upon determining that a hardship that is specifically created by the requirements of such Section exists, modify the income levels specified for #qualifying households#, reduce the amount of #affordable floor area# required or reduce the amount of a payment into the #affordable housing fund#, provided the Board finds that:

- (a) the applicant has applied for any appropriate relief for which such #development#, #enlargement# or #conversion# is eligible for any financial hardship or practical difficulty not specifically created by the requirements of Section [23-154](#), paragraphs (d)(3)(i) through (d)(3)(v) and (d)(5);
- (b) such requirements for #affordable housing# or a contribution to an #affordable housing fund# create an unnecessary hardship, with no reasonable possibility that a #development#, #enlargement# or #conversion# on the #zoning lot# in strict compliance with the provisions of Section [23-154](#), paragraphs (d)(3)(i) through (d)(3)(v) and (d)(5), and Section [23-90](#) (INCLUSIONARY HOUSING), inclusive, will bring a reasonable return, and that a modification or reduction of these requirements is therefore necessary to enable the owner to realize a reasonable return from such #zoning lot#; and
- (c) the unnecessary hardship claimed as a basis for such modification or reduction has not been created by the owner or by a predecessor in title.

In determining whether a hardship exists, the Board shall consider whether alternative permitted #uses#, or alternative forms of housing tenure would bring a reasonable return from the #zoning lot#.

The Board may modify #affordable housing# requirements set forth in Section [23-154](#), paragraphs (d)(3)(i) through (d)(3)(iv) and (d)(5), to permit appropriate relief as follows.

First, the Board shall determine whether compliance with the requirements of Option 1, Option 2 or the Deep Affordability Option, as set forth in Section [23-154](#), paragraphs (d)(3)(i), (d)(3)(ii) and (d)(3)(iii), respectively, where not otherwise permitted, provides sufficient relief.

If the Board does not so find, the Board shall next determine whether compliance with the requirements of the Workforce Option, as set forth in Section [23-154](#), paragraph (d)(3)(iv), where not otherwise permitted, provides sufficient relief.

If the Board does not so find, the Board, in consultation with the Department of Housing Preservation and Development, shall determine a modification or reduction of the requirements of Section [23-154](#), paragraph (d)(3)(i) through (d)(3)(iv) and (d)(5), that represents the minimum necessary modification or reduction to afford relief.

In addition, the Board, in consultation with the Department of Housing Preservation and Development, may permit a modification or reduction of the requirements of Section [23-154](#), paragraph (d)(3)(v) that represents the minimum necessary modification or reduction to afford relief.

A copy of each application to the Board for a special permit under the provisions of this Section shall be provided by the applicant to the Department of Housing Preservation and Development concurrently with its submission to the Board. Before the Board issues a final determination on any application made pursuant to this Section, #HPD# shall submit comment or appear before the Board regarding such application.

A special permit pursuant to this Section shall lapse after a term of four years, pursuant to Section [73-70](#) (LAPSE OF PERMIT). When considering an application for renewal of a special permit pursuant to paragraph (f) of Section [73-03](#) (General Findings Required for All Special Permit Uses and Modifications), the Board shall consult with #HPD# in determining whether the circumstances warranting the original grant of such permit still obtain, and may renew, modify, or deny the application for renewal, as appropriate.

The Board may prescribe such conditions and safeguards as it deems necessary to minimize adverse effects upon the surrounding area and the community at large.

### **73-625 - Modification of Affordable Housing Fund payment options in the SoHo NoHo Mixed Use District**

---

LAST AMENDED 12/15/2021

Within the #Special SoHo-NoHo Mixed Use District#, for #conversions# from non-#residential# to #residential use# in #buildings# existing prior to December 15, 2021, that are not otherwise subject to paragraph (d)(3)(v) of Section [23-154](#) (Inclusionary Housing), the Board of Standards and Appeals may permit a contribution to the #affordable housing fund# pursuant to such paragraph to satisfy the requirements of paragraph (d)(3), inclusive, of such Section, provided that the Board finds that:

- (a) the configuration of the #building# imposes constraints, including, but not limited to, deep, narrow or otherwise irregular #building# floorplates, limited opportunities to locate #legally required windows#, or pre-existing locations of vertical circulation or structural column systems, that would create practical difficulties in reasonably configuring the required #affordable floor area# into a range of apartment sizes and bedroom mixes serving a number of lower-income residents comparable to what such quantity of #affordable floor area# would serve in a more typical configuration, pursuant to the #guidelines# of the Inclusionary Housing Program. Before the Board issues a final determination on any application made pursuant to this Section, the Department of Housing Preservation and Development shall submit comment or appear before the Board regarding this finding;
- (b) the practical difficulties existed on December 15, 2021.

For the purposes of this Section, defined terms include those set forth in Sections [12-10](#) and 23-911.

A copy of each application to the Board for a special permit under the provisions of this Section shall be provided by the applicant to the Department of Housing Preservation and Development concurrently with its submission to the Board.

The Board may prescribe such conditions and safeguards as it deems necessary to minimize adverse effects upon the surrounding area and the community at large.

### **73-63 - Enlargement of Non-residential Buildings**

---

LAST AMENDED  
2/2/2011

For a complying or #non-complying# #non-residential building# existing on December 15, 1961, the Board of Standards and Appeals may permit an #enlargement#, provided that such #enlargement# shall not create any new #non-compliance# or increase the amount or degree of any existing #non-compliance# except as provided in this Section.

In all districts, the #floor area ratio# permitted under this Section shall not exceed the #floor area ratio# permitted under the applicable #bulk# regulations set forth in Article II, III or IV of this Resolution by more than 10 percent, or 10,000 square feet, whichever is less.

## **73-641 - Integration of new buildings or enlargements with existing buildings**

---

LAST AMENDED  
11/30/2017

For any such new #building# or #enlargement#, subject to the required findings set forth in this Section, the Board of Standards and Appeals may permit modifications of the applicable regulations in Sections [24-38](#), [33-28](#) or [43-28](#) (Special Provisions for Through Lots), or in Sections [24-50](#) through [24-55](#), inclusive, paragraphs (b) through (d) of Section [24-56](#), Sections [33-40](#) through [33-45](#), inclusive, or Sections [43-41](#) through [43-45](#), inclusive, relating to Height and Setback Regulations, or in Sections

[24-61](#) through [24-65](#), inclusive, Section [33-51](#), or Section [43-51](#), relating to Court Regulations and Minimum Distance between Windows and Walls or Lot Lines, provided that on December 15, 1961, the applicant owned the #zoning lot# or any portion thereof, and continuously occupied and used one or more #buildings# located thereon for a specified #community facility# #use#, from December 15, 1961, until the time of application. However, for #Quality Housing buildings# utilizing the height and setback regulations of Article II, Chapter 3, as required by Sections [24-50](#) and [33-40](#), the Board shall not permit modification to the provisions of Sections [23-67](#) through [23-69](#), inclusive.

As a condition of granting such modification, the Board shall find:

- (a) that such modification is required in order to enable such #use# to provide an essential service to the community;
- (b) that without such modification there is no way to design and construct the new #buildings# or #enlargements# in satisfactory physical relationships to the existing #buildings# which are to remain upon the site, so as to produce an integrated development; and
- (c) that such modification is the minimum modification necessary to permit the development of such integrated community facility, and thereby creates the least detriment to the character of the neighborhood and the use of nearby #zoning lots#.

---

### **73-642 - Temporary failure to comply**

---

LAST AMENDED

2/2/2011

In any district where such a specified #community facility# #use# is permitted, and on any #zoning lot# where one or more #buildings# occupied by such #use# exist on the date of application for the special permit, the Board of Standards and Appeals may permit #development# or #enlargements# which, only because of the continued existence of such #buildings# on a temporary basis, fail to comply with one or more of the applicable district #bulk# regulations, provided that the Board finds that continued use of the existing #buildings# is essential as a service to the community until the new construction makes it possible to replace the facilities contained therein.

The Board shall prescribe as a condition of such permit that such existing #buildings# will be removed within a stated period of time not to exceed two years after completion of the #development# or #enlargement#.

---

### **73-643 - Community centers**

---

LAST AMENDED

2/2/2011

In any such #development# or #enlargement# consisting of a community center serving primarily the residents of the #zoning lot#, the Board of Standards and Appeals may permit the density regulations set forth in Sections [24-20](#) (APPLICABILITY OF DENSITY REGULATIONS TO ZONING LOTS CONTAINING BOTH RESIDENTIAL AND COMMUNITY FACILITY USES) or [35-40](#) (APPLICABILITY OF DENSITY REGULATIONS) to be modified, provided that the total number of #dwelling units# permitted by these Sections and all other applicable #bulk# regulations set forth in Articles II and III of this Resolution shall not be increased by more than 10 percent.

---

### **73-65 - Public Utilities and Special Infrastructure**

---

---

## 73-651 - Enlargement of public utility facilities

---

†

The Board of Standards and Appeals may permit modifications to the #bulk# regulations for certain #enlargements# of public utility facilities set forth in paragraph (a) of this Section, provided that the findings set forth in paragraph (b) are met.

- (a) The Board may permit #enlargements# which do not comply with the applicable district #bulk# regulations for #buildings or other structures# existing on December 15, 1961, within which any one of the following public utilities is located:

Electric or gas utility substations;

Telephone exchanges or other communications equipment structures;

Water or sewage pumping stations; or

#Energy infrastructure equipment#.

- (b) In order to grant such permit, the Board shall find:

- (1) that the growth of the utility service demand in the area served by the #building or other structure# requires such #enlargement# to house the additional facilities needed to fulfill the demand;
- (2) that the network of lines, pipes or other distribution facilities located below the surface of the #streets# is so integrated with the operations carried on within such #building# that the provision of such additional facilities at another location would cause substantial duplication of plant and facilities and inconvenience to the public; and
- (3) that #non-compliance#, if any, with the applicable #yard# or height and setback regulations is the minimum made necessary by essential engineering requirements.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area and shall require that the certificate of occupancy shall be limited to such #use#.

---

## 73-652 - Energy infrastructure equipment and mechanical equipment

---

†

The Board of Standards and Appeals may permit the #bulk# modifications set forth in paragraph (a) of this Section, provided that the findings set forth in paragraph (b) are met.

- (a) The Board may permit modifications to all #bulk# regulations, other than #floor area ratio#, in order to accommodate #energy infrastructure equipment# or #accessory# mechanical equipment.
- (b) In order to grant such permit, the Board shall find that:
  - (1) such modifications would facilitate one or more of the following sustainability goals:
    - (i) reduction of the electrical demand of the #building# on the energy grid;
    - (ii) increased energy generation or storage at an essential location for the purposes of operating the energy grid;
    - (iii) support compliance with the standards of the New York City Energy Conservation Code (NYCECC); or
    - (iv) support compliance with the carbon emission reduction requirements of Local Law 97 of 2019;
  - (2) such modifications are the minimum necessary to allow for an appropriate installation, with consideration for collocation of other #uses#, whether upon a rooftop, within a #building or other structure#, or in an open area on the #zoning lot#; and
  - (3) the proposed modifications will not impair the character or the future use or development of the surrounding area.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

---

## **73-66 - Height Regulations Around Airports**

---

LAST AMENDED  
7/23/1964

The Board of Standards and Appeals may permit the construction, #enlargement#, or reconstruction of a #building or other structure# in excess of the height limits established under Sections [61-21](#) (Restriction on Highest Projection of Building or Structure) or [61-22](#) (Permitted Projection Within any Flight Obstruction Area), provided that the applicant submits a site plan, with elevations, showing the proposed #building or other structure# in relation to such maximum height limits, and that the Board finds that such proposed #building or other structure#, #enlargement#, or reconstruction would not constitute a hazard (either under the existing layout of the airport or under any planned reorientation or lengthening of the airport runways) to the safety of the occupants of such proposed #building#, to other #buildings# in the vicinity or to the safety of air passengers, and would not disrupt established airways.

The Board shall refer the application to the Federal Aviation Administration for a report as to whether such construction will constitute a danger to the safety of air passengers or disrupt established airways.

## **73-67 - Additional Floor Space of Public Parking Garages**

---

LAST AMENDED  
10/29/2007

In C2-1, C2-2, C2-3, C2-4, C4-1, C4-2, C4-3, C4-4, C4-5D, C7, C8-1, C8-2, C8-3, M1-1, M1-2, M1-3, M2-1, M2-2 or M3-1 Districts, for #public parking garages# with a total of 150 spaces or less, the Board of Standards and Appeals may permit floor space on one or more #stories# to be exempted from the definition of #floor area# as set forth in Section [12-10](#) (DEFINITIONS), provided that all floor space so exempted is located not more than 23 feet above #curb level# and provided that the following findings are made:

- (a) that the additional floor space permitted is needed in order to prevent excessive on-street parking demand and relieve traffic congestion; and
- (b) that the hazards or disadvantages to the community at large resulting from the additional floor space permitted are outweighed by the advantages to be derived by the community therefrom under the conditions and safeguards imposed.

The Board may impose appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

---

## **73-68 - Height and Setback and Yard Modifications**

---

LAST AMENDED  
2/2/2011

In C5-5, C6-8 and C6-9 Districts, the Board of Standards and Appeals may permit modifications of the applicable regulations in Sections [33-26](#) to [33-30](#), inclusive, relating to Rear Yard Regulations, or in Sections [33-41](#) to [33-45](#), inclusive, relating to Height and Setback Regulations.

The Board may grant such modifications upon consideration that the applicable height and setback or #rear yard# regulations cannot be complied with by some method feasible for the applicant to pursue because of size or irregular shape of the lot, size or irregular shape of the #block#, and width of #streets#. The Board shall also consider the characteristics of surrounding development.

The Board shall require, where appropriate, sufficient safeguards to ensure the free flow of pedestrian and vehicular traffic in the general area. The Board may prescribe additional appropriate conditions and safeguards to enhance the character of the surrounding area.

---

## **73-69 - Rear Yard Modifications**

---

LAST AMENDED  
4/30/2008

The Board of Standards and Appeals may permit modifications to the #rear yards# required pursuant to Sections [23-543](#), [24-393](#), [33-303](#) or [43-313](#) (For zoning lots with multiple rear lot lines) for #zoning lots# existing on April 30, 2008, provided the following findings are made:

- (a) that due to the irregular shape of the #zoning lot#, compliance with the #rear yard# regulations would create site planning constraints and adversely affect the layout and development of the site; and
- (b) that the requested reduction in #rear yard# depth is the least amount necessary to grant relief.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

---

## 73-70 - SPECIAL PERMITS IN THE FLOOD ZONE

---

LAST AMENDED  
5/12/2021

The following Sections shall apply to #zoning lots# located wholly or partially within the #flood zone#.

---

## 73-71 - Special Permit for Modification of Certain Zoning Regulations

---

LAST AMENDED  
5/12/2021

In #flood zones#, for all districts, the Board of Standards and Appeals may permit modification of the provisions of Article VI, Chapter 4 (Special Regulations Applying in Flood Zones), and any other applicable ground floor #use#, supplementary #use#, #bulk#, and parking regulations of the Zoning Resolution, provided that the conditions of paragraph (a) of this Section, and the findings of paragraph (b) are met.

For the purposes of this Section, defined terms include those in Section [12-10](#) and those in Section [64-11](#).

(a) Conditions

All applications shall be subject to the following conditions:

- (1) the #building# complies with #flood-resistant construction standards#;
- (2) any modification of height and setback regulations related to increasing the permitted overall height shall not exceed the maximum height permitted by the applicable underlying district regulations by 10 percent, or 10 feet, whichever is greater, as measured from the #reference plane#; and
- (3) any increase in the amount of permitted #floor area# shall be limited to no more than 20 percent of the #floor area# permitted on the #zoning lot#, and in no event more than 10,000 square feet of #floor area#. However, such restriction shall not apply to #non-complying# #buildings# with #non-complying# #floor area#, provided that the total #floor area# of the altered, #enlarged#, relocated, or reconstructed #building#, does not exceed the amount of existing #floor area# of such pre-existing #building#.

(b) Findings

In order to grant the special permit, the Board shall find that:

- (1) there would be a practical difficulty in complying with #flood-resistant construction standards# without such modifications, and that such modifications are the minimum necessary to allow for an appropriate #building# in compliance with #flood-resistant construction standards#;
- (2) any modification related to an increase in the amount of permitted #floor area# is the minimum necessary to address practical difficulties in retaining pre-existing habitable space;
- (3) any modification related to parking regulations to permit a reduction in the number of #accessory# off-street parking spaces and the change in location of #accessory# off-street parking spaces, will:
  - (i) facilitate an improved site plan;
  - (ii) not cause traffic congestion; and

- (iii) not have undue adverse effects on residents, businesses or #community facilities# in the surrounding area, as applicable, including the availability of parking spaces for such #uses#; and
- (4) the proposed modifications will not alter the essential character of the neighborhood in which the #building# is located, nor impair the future use or development of the surrounding area in consideration of the neighborhood's potential development in accordance with #flood-resistant construction standards#.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

All applications shall be subject to the following conditions:

- (1) the #building# complies with #flood-resistant construction standards#;
- (2) the office #use# is located on the lowest #story# above grade within the #building#;
- (3) access to such office #use# is from a separate entrance than that serving the #residential# portion of the #building#;
- (4) the #floor area# associated with such office #use# shall be considered as #community facility# #use# for the purposes of determining compliance with the applicable district #floor area ratio# regulations, and amount of #floor area# attributed to such office #use# shall not exceed 10,000 square feet;
- (5) the office #use# complies with the #accessory# off-street parking regulations for ambulatory diagnostic or treatment health care facilities, as listed in Section [22-14](#) (Use Group 4), in accordance with Article II, Chapter 5 (Accessory Off-Street Parking and Loading Regulations); and
- (6) such office #use# complies with #accessory# #signs# regulations for #buildings# containing #residences#, as set forth in Section [22-32](#) (Permitted Non-Illuminated Accessory Signs).

- (b) such office #use# will not produce objectionable effects; and
- (c) such office #use# will not alter the essential character of the neighborhood in which the #building# is located.

The Board may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding

area.

## **73-80 - LAPSE OF PERMIT**

---

LAST AMENDED

5/12/2021

A special permit for a specified #use# or for a modification of the #use# or #bulk# regulations granted under the provisions of this Resolution shall automatically lapse if substantial construction, in accordance with the plans for which such permit was granted, has not been completed within four years from the date of granting such permit by the Board of Standards and Appeals or, if judicial proceedings have been instituted to review the Board's decision, the four-year lapse period shall commence upon the date of entry of the final order in such proceedings, including appeals.
