

Zoning Resolution

THE CITY OF NEW YORK

Eric Adams, Mayor

CITY PLANNING COMMISSION

Daniel R. Garodnick, Chair

Chapter 7 - Special Provisions for Zoning Lots Divided by District Boundaries

File generated by <https://zr.planning.nyc.gov> on 7/1/2025

Chapter 7 - Special Provisions for Zoning Lots Divided by District Boundaries

77-00 - GENERAL PROVISIONS

LAST AMENDED
8/14/1987

77-01 - Applicability of This Chapter

LAST AMENDED
12/15/1961

Whenever any #zoning lot# is located in two or more districts in which different #uses# are permitted, or in which different #use#, #bulk#, #accessory# off-street parking and loading, or other regulations apply, the provisions of this Chapter shall apply.

77-02 - Zoning Lots not Existing Prior to Effective Date or Amendment of Resolution

LAST AMENDED
12/5/2024

Whenever a #zoning lot# is divided by a boundary between two or more districts and such #zoning lot# did not exist on December 15, 1961, or any applicable subsequent amendment thereto, each portion of such #zoning lot# shall be regulated by all the provisions applicable to the district in which such portion of the #zoning lot# is located. However, the provisions of Section [77-22](#) (Floor Area Ratio) shall apply to #zoning lots# created at any time where different #bulk# regulations apply to different portions of such #zoning lot#.

77-03 - Zoning Lots Existing Prior to Effective Date or Amendment of Resolution

LAST AMENDED
12/15/1961

Whenever a #zoning lot# is divided by a boundary between two or more districts and such #zoning lot# existed on December 15, 1961, or any applicable subsequent amendment thereto, the provisions of this Resolution may be applied to such #zoning lot# as set forth in subsequent Sections of this Chapter. Except as specifically provided in this Chapter, each portion of such #zoning lot# shall be regulated by all the provisions applicable to the district in which such portion of the #zoning lot# is located.

77-10 - USE REGULATIONS

LAST AMENDED
12/15/1961

77-11 - Conditions for Application of Use Regulations to Entire Zoning Lot

LAST AMENDED
6/29/1989

Whenever a #zoning lot# existing on December 15, 1961, or on any applicable subsequent amendment thereto, is divided by a boundary between districts in which different #uses# are permitted, the #use# regulations applicable to the district in which more than 50 percent of the #lot area# of the #zoning lot# is located may apply to the entire #zoning lot#, provided that the

greatest distance from the mapped district boundary to any #lot line# of such #zoning lot# in the district in which less than 50 percent of its area is located does not exceed 25 feet. Such distance shall be measured perpendicular to the mapped district boundary.

Whenever the #use# regulations are so applied, the district boundary may be assumed to be relocated accordingly, and the #bulk#, off-street parking and loading, and all other regulations applying to such expanded district shall apply to the entire #zoning lot#. However, when the #zoning lot# is divided by a district boundary between a district limited to #single-# or #two-family residences# and a district permitting multiple dwellings, the #use# and #bulk# regulations of an R3-2 District shall apply in the R1, R2, R3A, R3X or R3-1 portion, and the #use# and #bulk# regulations of an R4 District shall apply in the R2X, R4A, R4-1 or R4B portion.

Except as specifically provided by the provisions of a special purpose district, the provisions of this Section shall apply to #zoning lots# which are divided by a special purpose district boundary line.

77-12 - Application of Use Regulations Under All Other Conditions

LAST AMENDED
6/25/1964

Whenever a #zoning lot# is divided by a boundary between districts in which different #uses# are permitted and the provisions of Section [77-11](#) (Conditions for Application of Use Regulations to Entire Zoning Lot) do not apply, the applicable #use# regulations for each district shall apply to that portion of the #zoning lot# located within such district, except as provided in Section [73-42](#) (Enlargement of Uses Across District Boundaries) or [73-52](#) (Modifications for Zoning Lots Divided by District Boundaries).

The regulations governing #use# are set forth in Article II, Chapter 2; Article III, Chapter 2; and Article IV, Chapter 2.

77-20 - BULK REGULATIONS

LAST AMENDED
12/15/1961

77-21 - General Provisions

LAST AMENDED
9/27/1962

Whenever a #zoning lot# existing on December 15, 1961, or on any applicable subsequent amendment thereto, is divided by a boundary between districts with different #bulk# regulations, and the provisions of Sections [77-11](#) (Conditions for Application of Use Regulations to Entire Zoning Lot) or [77-211](#) (Conditions for application of bulk regulations to entire zoning lot) do not apply, the #bulk# regulations may apply as set forth in Sections [77-22](#) to [77-29](#), inclusive, relating to Bulk Regulations.

77-211 - Conditions for application of bulk regulations to entire zoning lot

LAST AMENDED
12/5/1990

Whenever a #zoning lot# existing on December 15, 1961, or on any applicable subsequent amendment thereto, is divided by a boundary between:

- (a) two #Residence Districts# limited to #single-# or #single-# and #two-family residences#; or
- (b) two #Commercial Districts# or two #Manufacturing Districts# in which the same #uses# are permitted but different #bulk# regulations apply;

the #bulk# regulations applicable to the district in which more than 50 percent of the #lot area# of the #zoning lot# is located may apply to the entire #zoning lot#, provided that the greatest distance from the mapped district boundary to any #lot line# of such #zoning lot# in the district in which less than 50 percent of its area is located does not exceed 25 feet. Such distance shall be measured perpendicular to the mapped district boundary.

Whenever the #bulk# regulations are so applied, the district boundary may be assumed to be relocated accordingly, and the off-street parking and loading and all other regulations applying to such expanded district shall apply to the entire #zoning lot#.

Except as specifically provided by the provisions of a Special Purpose District, the provisions of this Section shall apply to #zoning lots# that are divided by a Special Purpose District boundary line.

77-22 - Floor Area Ratio

LAST AMENDED
12/5/2024

The maximum #floor area ratio# permitted on each portion of such #zoning lot# for the applicable type of #building# or #buildings# on such #zoning lot# shall be determined under the applicable regulations of this Resolution.

Each such #floor area ratio# shall be multiplied by the percentage of the #zoning lot# to which such #floor area ratio# applies. The sum of the products thus obtained shall be the adjusted maximum #floor area ratio# applicable to such #zoning lot#.

The #floor area# resulting from application of the adjusted maximum #floor area ratio# may be located anywhere on the #zoning lot#, subject to all other regulations of this Resolution, and provided that the #floor area ratio# for any portion of the #zoning lot# within one district shall not exceed the maximum #floor area ratio#, specified for that district, or the adjusted maximum #floor area ratio# for the #zoning lot#, whichever is greater, except that the portion of the #zoning lot# fronting on and within 100 feet of a #wide street# and permitting the greater maximum permitted #residential# #floor area ratio# may exceed the maximum permitted #residential# #floor area ratio# for the portion of the #zoning lot# by up to 20 percent.

In applying the provisions of this Section, the following conditions shall apply:

- (a) the #floor area# bonus permitted for #publicly accessible open areas# or #arcades#, under the applicable regulations of this Resolution, shall apply only to such #publicly accessible open areas#, #arcades# or portions thereof, as are located in a district in which such bonus is granted; and
- (b) when a #zoning lot# contains a #sky exposure plane building# which does not have a specified maximum #floor area ratio#, for the purpose of computing the adjusted maximum #floor area ratio#, the #floor area ratio# of such #zoning lot# shall be deemed to be that which can be achieved at the minimum required #open space ratio# for such #zoning lot#.

77-23 - Open Space Ratio

LAST AMENDED
2/2/2011

The #open space# required for such #zoning lot# shall be computed separately for each portion of the #zoning lot# under the applicable regulations of the underlying districts. The total #open space# provided on the #zoning lot# shall not be less than the

sum of such required #open space# so computed.

For portions of the #zoning lot# located in districts that have required #open space ratios#, the required #open space# for each such portion is computed by multiplying the #lot area# of that portion, by the maximum #floor area ratio# permitted for the applicable type of #building# or #buildings#, by the minimum #open space ratio# required at that #floor area ratio#, divided by 100.

For portions of the #zoning lot# located in other districts that do not have required #open space ratios# but do have required #open space#, the required #open space# for each such portion is computed by multiplying the #lot area# of that portion, by the minimum percentage of #open space# required, divided by 100.

For portions of the #zoning lot# located in districts that do not have a required #open space ratio# or required #open space#, no #open space# shall be required but any required #yards#, or #publicly accessible open area# provided, for which a #floor area# or #lot area# bonus is taken, shall be in addition to the amount of #open space# required on the remaining portion of the #zoning lot#. No open area may be counted twice in fulfilling these requirements.

The required #open space# may be located anywhere on the #zoning lot# subject to all other regulations of this Resolution and provided that the #open space ratio# for any portion of the #zoning lot# within one district shall not be less than 60 percent of the required #open space ratio# for that district.

77-24 - Lot Coverage

LAST AMENDED

12/5/2024

The maximum percent of #lot coverage# permitted on each portion of a #zoning lot# shall be determined under the applicable regulations of Article II, Chapters 3 and 4.

Each such maximum percent of #lot coverage# shall be multiplied by the #lot area# of the portion of the #zoning lot# to which such percent of #lot coverage# applies. The sum of the areas of #lot coverage# thus obtained shall be the maximum area of #lot coverage# for the #zoning lot#. Such maximum area of #lot coverage#, divided by the #lot area# of the #zoning lot#, shall be the adjusted maximum percent of #lot coverage# for the #zoning lot#.

A #building# whose #lot coverage# does not exceed the adjusted maximum percentage of #lot coverage# may be located anywhere on such #zoning lot# or portion of such #zoning lot#, subject to all other regulations of this Resolution, and provided that the percentage of #lot coverage# for any portion of the #zoning lot# within one district shall not exceed the maximum percentage of #lot coverage# specified for that district, or the adjusted maximum percentage of #lot coverage# for the #zoning lot#, whichever is greater.

If a #zoning lot# divided by a boundary between two or more districts is partly a #corner lot# and partly an #interior lot# or #through lot#, separate adjusted maximum percentages of #lot coverage# shall be computed for such #corner lot# and for such #interior lot# or #through lot# and applied separately to such #corner lot# and to such #interior lot# or #through lot#, as though each were a separate #zoning lot#. The provisions of this paragraph shall not apply to #zoning lots# located on #waterfront blocks#.

If a #zoning lot# is partly in a district in which there is no maximum permitted percentage of #lot coverage# for the #use#, the provisions of this Section shall apply to such portions of the #zoning lot# as are in a district with a maximum #lot coverage# requirement.

Wherever a #zoning lot# is divided by a district boundary in which one portion of the #zoning lot# is located in a district having a #lot coverage# requirement and the other portion is located in a district having an #open space ratio# requirement, the

required #open space# for the portion having the #open space ratio# requirement shall be computed in accordance with Section [77-23](#) (Open Space Ratio). The inverse of such required #open space# shall be the maximum #lot coverage# permitted on that portion of the #zoning lot#, and may be located anywhere on the #zoning lot# subject to all other regulations of this Resolution.

77-25 - Density Requirements

LAST AMENDED

12/5/2024

Whenever a #zoning lot# is divided by a boundary between districts with different density requirements, the maximum number of #dwelling units# or #rooming units# permitted on the #zoning lot# shall equal the sum of the maximum number of #dwelling units# or #rooming units# permitted for each portion of the #zoning lot# in accordance with the applicable district regulations. Such #dwelling units# or #rooming units# may be located wherever a #building# is permitted on the #zoning lot#. However, wherever portions of a #zoning lot# are limited to #single-# or #two-family residences# pursuant to Section [22-12](#) (Use Group II – Residences), inclusive, no more than one or two #dwelling units# may be provided, as applicable.

77-26 - Minimum Lot Area and Lot Width Requirements for Residences

LAST AMENDED

2/2/2011

The minimum #lot area# and #lot width# regulation applying to the district with the more restrictive regulations shall apply to the entire #zoning lot#.

77-27 - Yard Regulations

LAST AMENDED

2/2/2011

Each portion of the #zoning lot# shall be governed by the #yard# regulations specified for the district in which it is located.

77-28 - Height and Setback Regulations

LAST AMENDED

12/5/2024

For #zoning lots# divided by district boundaries in which all applicable height and setback regulations include the use of #sky exposure planes#, the height and setback regulations of each #street# frontage of the #zoning lot# shall be determined by multiplying the quantitative requirements set forth in the regulations of the Chapters, which are applicable to each portion of such #street# frontage, by the percentage of such #street# frontage to which such regulations apply. The sum of the products obtained shall be the controlling requirements for the #zoning lot#.

In determining the percentage of such #street# frontage, the percentage shall be based on the total frontage of the #zoning lot# along such #street#.

However, if any portion of such #zoning lot# is located within a #Limited Height District#, the provisions of Sections [23-443](#), [24-591](#) or [33-491](#) (Limited Height Districts) shall apply to any portion of a #building# utilizing #sky exposure plane# provisions.

For all other #zoning lots#, each portion of such #zoning lot# shall be regulated by the height and setback provisions applicable to the district in which such portion of the #zoning lot# is located.

For the purposes of defining a #building# envelope pursuant to Section [23-421](#), apex points may be located on a zoning district boundary which divides a #building#.

Furthermore, if any portion of a #zoning lot# is located in an R2X, R3, R4, R4-1 or R4A District, the height and setback regulations specified for such district may apply to the entire #zoning lot# provided that such district comprises more than 50 percent of such #zoning lot#, and the greatest distance from the mapped district boundary to any #lot line# of such #zoning lot# in the district in which less than 50 percent of its area is located does not exceed 25 feet. Such distance shall be measured perpendicular to the mapped district boundary.

77-29 - Tower Regulations

LAST AMENDED
12/5/2024

If 50 percent or more of a #zoning lot# is located within a district to which the provisions of Sections [23-435](#), [23-737](#), [24-54](#), [33-45](#) or [43-45](#) (Tower Regulations) apply, and the remaining portion of the #zoning lot# is within a district to which such provisions do not apply, a tower, which, in the aggregate, occupies not more than the percentage of the #lot area# permitted for the particular district in which the tower is permitted, may be applied to the #lot area# of the entire #zoning lot#. Such tower may penetrate any applicable established #sky exposure plane#, or maximum base height, as applicable, provided that such tower shall comply with the applicable setback requirements or restrictions on aggregate area that may be occupied.

If 50 percent or more of a #zoning lot# is located in a district in which the provisions of Sections [33-455](#) (Alternate regulations for towers on lots bounded by two or more streets), [33-456](#) (Alternate setback regulations on lots bounded by two or more streets) or [33-457](#) (Tower setbacks on narrow blocks) apply, and the remaining portion of the #zoning lot# is within a district in which such provisions do not apply, any #building# or any tower that occupies not more than the applicable percent of the #lot area# of a #zoning lot# as set forth in Section [33-455](#) or [33-456](#) and which complies with the applicable setback requirements as set forth in Sections [33-455](#), [33-456](#) or [33-457](#), may penetrate any applicable established #sky exposure plane#.

Subject to the requirements set forth hereinbefore and those specified in Sections [77-22](#) (Floor Area Ratio) and [77-23](#) (Open Space Ratio), such tower may be located anywhere on such #zoning lot#.

77-30 - OFF-STREET PARKING AND LOADING REGULATIONS

LAST AMENDED
12/15/1961

77-31 - General Provisions

LAST AMENDED
12/15/1961

Whenever a #zoning lot# existing on December 15, 1961, or on any applicable subsequent amendment thereto, is divided by a boundary between districts with different off-street parking or loading regulations, and the provisions of Section [77-11](#) (Conditions for Application of Use Regulations to Entire Zoning Lot) do not apply, the off-street parking and loading regulations may apply as set forth in this Chapter.

77-32 - Districts of Same General Use Class

LAST AMENDED
12/15/1961

When such boundary is between two #Residence Districts# or two #Commercial Districts# or two #Manufacturing Districts#, the provisions of this Section shall apply.

77-321 - Provisions governing off-street parking for residences

LAST AMENDED
2/2/2011

The percentage requirements for #accessory# off-street parking for #residences# applicable to each portion of the #zoning lot# shall be multiplied by the percentage of the total #lot area# of the #zoning lot# to which each such requirement applies. The sum of the products obtained shall be the percentage requirement applicable to #residences# on such #zoning lot#. Such off-street parking spaces may be located anywhere on the #zoning lot# without regard to district boundaries, provided that such spaces shall conform to all the other applicable provisions of this Resolution.

77-322 - Provisions governing off-street parking for non-residential uses

LAST AMENDED
2/2/2011

For non-#residential uses#, the requirements for #accessory# off-street parking or loading of that district in which more than 50 percent of the total area of the #zoning lot# is located, shall apply to the entire #zoning lot#. The parking spaces or loading berths may be located anywhere on the #zoning lot# without regard to district boundaries, provided that such spaces or berths shall conform to all other applicable regulations of this Resolution.

77-33 - Districts of Different General Use Class

LAST AMENDED
12/15/1961

When such boundary is between a #Residence District# and a #Commercial District#, or between a #Commercial District# and a #Manufacturing District#, or between a #Residence District# and a #Manufacturing District#, the provisions of this Section shall apply.

77-331 - Use permitted in both districts

LAST AMENDED
12/15/1961

For any #use# which is permitted in both such districts, the applicable requirements for #accessory# off-street parking and loading of that district in which more than 50 percent of the #zoning lot# is located shall apply to the entire #zoning lot#. The parking spaces or loading berths may be located anywhere on the #zoning lot# without regard to district boundaries, provided that such spaces or berths shall conform to all other applicable regulations of this Resolution.

77-332 - Use not permitted in both districts

LAST AMENDED
12/15/1961

For any #use# which is permitted in one such district but not in the other, the applicable district requirements for #accessory#

off-street parking and loading shall be satisfied entirely within the district within which such #use# is permitted, provided, however, that:

- (a) the required parking spaces for #residential# or #community facility# #uses#, or the loading berths for #community facility# #uses#, may be located on that portion of the #zoning lot# which is in a C8 or #Manufacturing District#;
- (b) the required parking spaces or loading berths for any #commercial# #use# may be located on that portion of the #zoning lot# which is in a #Manufacturing District#;
- (c) the required parking spaces or loading berths for #manufacturing# #uses# may be located on that portion of the #zoning lot# which is in a C8 District; and

provided, further, that such spaces or berths shall conform to all other applicable regulations of this Resolution.
