109-00 - GENERAL PURPOSES

LAST AMENDED

2/3/1977

The "Special Little Italy District" established in this Resolution is designed to promote and protect public health, general welfare and amenity. These general goals include, among others, the following specific purposes:

- (a) to preserve and strengthen the historical and cultural character of the community;
 - (b) to protect the scale of storefronts and character of the existing retail uses along Mulberry Street and other major shopping streets so that Little Italy will remain a unique regional shopping area, and thereby strengthen the economic base of the City;
 - (c) to preserve the vitality of street life by reducing conflict between pedestrian and vehicular traffic;
 - (d) to permit rehabilitation and new development consistent with the residential character and scale of the existing buildings in the area;
 - (e) to provide amenities, such as public open space, and street trees, to improve the physical environment;
 - (f) to discourage the demolition of noteworthy buildings which are significant to the character of the area; and
 - (g) to promote the more desirable use of land in the area and thus to preserve the value of land and buildings, and thereby protect and strengthen the City's tax revenues, consistent with the foregoing purposes.

Open recreation space

"Open recreation space" is that part of a #zoning lot#, including #courts#, #yards# and roof areas, which is unobstructed from its lowest level to the sky except for landscaping and planting requirements pursuant to Sections 109-14, 109-34 and 109-42.

Except as modified by the express provisions of this Special District, the regulations of the underlying zoning district remain in effect. For the purposes of this Chapter, the provisions of Sections 23-15, 23-20 and 33-13 are made inapplicable.

For #transit-adjacent sites# or #qualifying transit improvement sites#, as defined in Section 66-11 (Definitions), in the event of a conflict between the provisions of this Chapter and the provisions of Article VI, Chapter 6 (Special Regulations Applying Around Mass Transit Stations), the provisions of Article VI, Chapter 6 shall control.

The use of the public #streets# and sidewalks for the maintenance of #sidewalk cafes#, outdoor cafes or any other structures shall require the separate approval of the Board of Estimate, which may be granted upon such terms and conditions as the Board of Estimate may deem appropriate.

Within the Special District, in accordance with a comprehensive survey of its structures, #buildings# of special significance to the community and City as a whole, have been identified and are listed in Appendix B. Such #buildings# are unique either because they are socially or traditionally significant or because they are important physical influences in the life and image of the community. Such #buildings# shall not be demolished or have their external architectural features altered except as set forth in Section 109-52 (Special Permit Provisions). No demolition permit or alteration permit for alterations which may affect the exterior of such #buildings# shall be issued by the Department of Buildings for any such #building# except as permitted by the City Planning Commission pursuant to Section 109-52 (Special Permit Provisions) unless it is an unsafe #building# and demolition is required pursuant to the

provisions of Title 28, Chapter 2, Article 216 of the New York City Administrative Code.
