 - (b) to encourage new development which is in keeping with the scale and character of the area by providing for street wall continuity and bulk regulations consistent with existing development along the Grand Concourse;
 - (c) to preserve and enhance the residential character of the Grand Concourse by limiting ground floor retail and commercial uses to certain specified locations;
 - (d) to regulate the location of retail and commercial signage; and

122-10 - SPECIAL USE REGULATIONS

LAST AMENDED
6/6/2024

In order to preserve the residential character of the Special District, the applicable #use# regulations of the underlying districts are modified, as follows:

- (a) Within the Limited Commercial Areas, #uses# listed under Use Group VI that would be permitted in a C2 District, or #uses# included under Offices in Use Group VII, shall be permitted, provided they are located only on the ground floor of an existing or new #building# containing #residential# or #community facility uses#. All existing or new #commercial# #uses# shall be directly accessible only from the #street#. Any existing #commercial# #use# which fails to provide direct access from a #street# shall be terminated one year after September 28, 1989.

Such ground floor #commercial# #uses# may be permitted to #extend# up to the Grand Concourse on the #basement# level of a #building#, provided that such #commercial# #uses# are accessible only from a cross-street which intersects the Grand Concourse. However, if a #building# on a Commercial Infill Site contains an entrance from the Grand Concourse as well as from the cross-street running underneath the Concourse, such entrance floors at both #street# levels may be occupied by retail #uses# listed under Use Group VI if they were in existence prior to July 1, 1981, as a lawful #use#. In those cases, the #use# of the remaining #stories# of such #building# shall be limited to #uses# included under Offices in Use Group VII.

In order to enhance the visual quality of the Special District, the applicable #sign# regulations of the underlying districts are modified, as follows:

The height of such #signs# shall be not more than 24 inches and the letter sizes shall be restricted to a height of 12 inches. - (e) Except in C1 Districts, no banners, pennants, #flashing# or #illuminated signs# shall be permitted anywhere within the Special District.
